OUR GOAL

On behalf of the faculty and administration of the Benzie Central High school, it is a pleasure to welcome all students to the 2015-16 school year. As a member of the student body, you will be given every opportunity to be a successful participant in all aspects of your education.

We will strive to provide a meaningful, worthwhile learning experience for you. We expect you, also, to strive to realize your fullest potential as students and as citizens. Together we can create excellence in all programs at Benzie Central. As educators, our goal is to see each student achieve success. That should be your personal goal as well, and you need to work to achieve that goal.

A complete education involves academic achievement, co-curricular activities as a participant and spectator, growth in socialization and citizenship and punctuality. Taking advantage of the opportunities before you will result in a lasting sense of pride and accomplishment.

Do your very best –we expect it and you deserve it!

OUR MISSION

We believe the responsibility of Benzie Central High School is to provide a well-rounded curriculum in a safe, positive learning environment so that all students can become productive, functioning members of society.

STUDENT RESPONSIBILITY

CODE OF STUDENT CONDUCT

Our school is constantly under inspection by the many visitors, parents, students from other schools, and our own staff and administration. Often times a school is judged by the conduct of students in the halls, rooms, and confines of the school property. The following guidelines are made for all to follow not just because we are observed but also because they are common sense rules:

1. Cleanliness-the halls, rooms, lavatories and cafeteria are not waste paper baskets. Keep these places clean.
2. All food including candy must be consumed in the cafeteria during the school day.
3. Absolutely no running.
4. No loud talking or shouting that is an irritation to others around you.
5. Anything more than holding hands is inappropriate in the school building.
6. Transportation will not be provided for detentions or Saturday schools.
7. Students are not to charge purchases to the school or any class or club without the advisor's written permission.
8. Inappropriate reading material will be barred from school.
9. Any adult employed by the school district has the right to reprimand any student for his/her conduct about the building, grounds, bus stops, or at any school function.
10. Snowballing-NO throwing of snowballs is to take place on school property.
11. Deliveries of balloons, flowers, etc. will NOT take place during school hours. Any such gifts may be picked up in the office at the end of the day. No balloons, flowers, or gifts should be taken to the classroom.
12. Students may drop a class up to and including the second week without receiving an "E" for the semester. Classes may be dropped or added at semester.
13. Duffel bags and back packs are not allowed in the classroom.

DISCIPLINARY ACTION WILL BE TAKEN AGAINST ANY STUDENT WHOSE BEHAVIOR IS IN ANY WAY DISRUPTIVE TO THE ONGOING EDUCATIONAL PROCESSES ON SCHOOL PROPERTY. The disciplinary action may include detention; in-school suspensions; suspension; forfeiture of rights to participate in or attend extracurricular activities as well as end-of-the-year activities, loss of driving privileges and pulling of work permits; and ceremonies such as baccalaureate, graduation, etc.

All codes of conduct, rules and regulations can be condensed to one basic principle: follow common sense rules that govern our everyday world.

The Benzie Central School District expects that our students will conduct themselves as good citizens of the school. This would include all school-sponsored functions at Benzie Central or at other schools with whom we are affiliated.

Teachers are responsible for establishing general rules of conduct in their classrooms. Violations of these classroom rules are handled at the desk level on a reasonable basis.

ANY STUDENT EARNING CREDIT AT BENZIE CENTRAL HIGH SCHOOL WILL BE UNDER THE JURISDICTION OF OUR POLICIES EVEN IF AT A DIFFERENT SITE.

ANY CONFISCATED ITEMS MAY BE PICKED UP AT THE OFFICE BY A PARENT OR GUARDIAN.

REPEATED VIOLATIONS OF THESE POLICIES MAY RESULT IN ADDITIONAL DETENTIONS, ISS, SATURDAYSCHOOLS OR SUSPENSIONS.

Students may be assigned an after-school detention by an administrator or any member of the faculty. This is for those students with undesirable patterns of behavior.

Each student is to have sufficient materials and books to study for the time assigned to detention and must cooperate with the regulations of the detention supervisor.

When a student is assigned detention, ISS, Saturday School, or Suspension, the parent or guardian will be notified by a phone call from the school. If a parent or guardian cannot be reached by phone, the student is still responsible for following through with the consequences of his/her actions.

STUDENTS WHO DO NOT ATTEND THEIR ASSIGNED DETENTION, ISS, OR SATURDAY SCHOOL MAY FACE SUSPENSION.

Detention, ISS, and Saturday School Policies:

1. Students must bring study materials to detention or they will be assigned another detention.
2. No talking and no studying together will be allowed.
3. No leaving the designated area.
4. Report on time. Any person tardy will be assigned to an additional time.
5. The student must cooperate with the supervisor or that student will be reassigned or suspended.
6. Sleeping is not allowed.
7. No food or drink except during breaks.
8. No Cell phones, audio devices, tablets, laptops, handheld or similar devices unless prior approval is granted.
9. Transportation will not be provided for detentions or Saturday Schools.
10. Students will not have access to computers during detentions.

IN SCHOOL SUSPENSION (ISS)

Student Accountability Facility Environment; is a school discipline process that trains educators how to teach students to take responsibility for their behavior by learning to think on their own, to respect the rights of others, to make plans, and to build self-confidence. Students will be removed from the general population and sent to ISS where they can reflect on their decisions regarding why they were removed from class and/or complete school work.

SUSPENSION

Suspension is defined as a temporary refusal of the school district to allow a student to attend school. While suspended, the student is not allowed on school premises during the school day, and may not participate or attend in any school activity such as athletic events, music concerts, plays, etc.

EXPULSION

Expulsions are removal from school for more than ten days to permanently. The district has no obligation to provide an alternative education. Recommendation for the expulsion of a student shall be made to the Board of Education by the Administration. The principal's recommendation shall be communicated to the Superintendent in writing and accompanied by the student's cumulative file. Parental conferences will be held at the building level prior to the expulsion recommendation. The following procedures apply:

1. The student shall be suspended pending the expulsion recommendation to the Board.
2. The written recommendation to the Board shall include the factual basis and rule violated and sent to the student's parent(s)/guardian(s).
3. Written notice of the date, time and place of the hearing shall be sent and notify the parent or guardian at least five school days before the date of the hearing (no later than the next regular board meeting).
4. The student and his/her parent or guardian shall be made aware of their right to appeal the decision of the hearing authority to the appropriate authority.

DUE PROCESS FOR SUSPENSIONS AND EXPULSIONS

The following practices and procedures are established as guidelines for all administrators to follow in taking disciplinary actions, which lead or might lead to suspension and/or expulsion of school students.

1. Parents shall be informed and involved in any case of a student exhibiting a history of unacceptable conduct. Written records of all such involvement should be maintained in the pupil's file.

WHEN SPECIAL EDUCATION STUDENTS ARE SUSPENDED FOR AN EXTENDED PERIOD OF TIME, THIS REMOVAL CAN CONSTITUTE A CHANGE IN PLACEMENT. Normally a change in placement is governed by an IEP that constitutes the due process for a student. The discipline procedures are an effort to provide **all students** due process for suspensions.

2. In an instance of suspension from school, the following conditions shall be adhered to:
 - a. The student shall be informed of the specific charges against his/her, in writing, including the rationale for the suspension and the conditions of time and means of the termination of suspension.
 - b. The students will have the right to present to the school administration any relevant information that will support his/her defense.
 - c. If the student is suspended by the school administration, the administration will:
 1. Notify the parents as soon as possible of the suspension, the reason(s) for it, and the steps necessary to affect the student's return.

2. Meet with the parents or guardian and the student to plan the satisfactory return of the student to the school and setting, if necessary.
- d. If the parents or guardian are dissatisfied with this action, they may appeal to the superintendent to review the decision.
- e. TBA students suspended from Benzie Central will also be suspended from TBA.

SEARCH & SEIZURE

Under ordinary circumstances, a search of a student by a teacher or other school official will be justified at its inception when there are reasonable grounds for suspecting that the search will turn up evidence that the student has violated or is violating either the law or rules of the school. Such a search will be permissible in its scope when the measures adopted are reasonably related to the objectives of the search and not excessively intrusive in light of the age and sex of the student and the nature of the infraction. Parents do not have to be present for the search to take place.

COMPUTER TECHNOLOGY CODE OF CONDUCT

Benzie Central High School encourages and strongly promotes the use of technology in education. To ensure that students, staff, parents and other community members can take full advantage of the technologies available, all use of technology must have proper authorization and adherence to the school’s technology code of conduct.

1. All use of technology must be in support of and consistent with the purpose of the school district. It is the student’s responsibility to keep all obscene material, inappropriate files, and personal software off school district technology. All students should use language appropriate for school situations as indicated by school codes of conduct.
2. Each student shall accept the responsibility for the preservation and care of technology to include the respect for another individual’s work, files, and programs and to ensure that his or her food and drink are kept away from all equipment.
3. It is the student’s responsibility to make sure no equipment or software is destroyed, modified, or abused in any way. This, of course, includes operating systems. Since unofficial tampering and exploration of a computer operating system can disrupt the operation of one or more school computers, such exploration is not allowed. It is also the user’s responsibility to obtain proper authorization prior to the addition, removal, or relocation of any software, batch files, or equipment.
4. Students shall not intentionally seek information on, obtain copies of, or modify files, other data, or passwords belonging to other users, or disrespect other users on the school computers. Students shall not disrupt other users by broadcasting or sending messages to others.
5. Students should keep files to a minimum, deleting files that are no longer necessary. Unnecessary files take up limited network storage.
6. Students will be held accountable for any attempts at knowingly installing and/or running a computer virus. Students will also be held accountable for any computer viruses that they have personally written and/or introduced.
7. Any circumventing of our security systems is a violation and will result in loss of computer privileges.
8. The consequences of failing to adhere to the Technology Code of Conduct are defined in the student handbook. The standard consequences for vandalism, insubordination, and other misbehavior apply. The following are specific consequences that apply only to the misuse of technology.

Students may be allowed to use computers only when a staff member is present.

	<u>1st Offense</u>	<u>2nd Offense</u>	<u>3rd Offense</u>

ATHLETIC CODE & ELIGIBILITY

In order for any student to participate in any athletic activity, the student must abide by standards established by the Benzie County Central School District and the Michigan High School Athletic Association. **PARTICIPATING IN ATHLETIC ACTIVITIES IS A PRIVILEGE – one that is earned after a student has met the standards and expectations set forth in this document and their addenda.**

Student athletes and their parent/guardians must sign a **CODE OF CONDUCT CONTRACT** indicating that they have read, understand, and will abide by all policies, rules and regulations of the Benzie County Central Schools Board of Education. Each student must be aware that he/she is representing Benzie Central and that his/her actions, conduct and appearance must always reflect credit on the school, group, family and community. The following procedures will apply all year, not only during school months or current sport season.

The school rules for eligibility provide a method for insuring that students representing the school at competitions, events, assemblies, and public performances, and while traveling, meet our conduct expectations and rules. These students serve as role models for the rest of the student body.

PAY TO PARTICIPATE

Students who participate in extra-curricular activities will be assessed a participation fee to help offset the cost of these programs.

1. \$35.00 will be applied per season/activity for each student who participates in High School Athletics as well as Non-Curriculum Activities.
2. \$100.00 fee per school year can be applied to those who participate in multiple activities.
3. \$200.00 fee per school year can be applied to a family who has 2 or more students participating in extra-curricular activities.

Refund Policy:

1. A student that is injured while participating will be credited back based on the percentage of the season remaining or forward balance to upcoming activity.
2. There will be no refund to students who quit prior to the end of the activity or are disqualified due to academic eligibility or disciplinary reasons.

MICHIGAN HIGH SCHOOL ATHLETIC ASSOCIATION REQUIREMENTS

1. A student must have passed at least 66% of a full time class load during the previous semester.
2. A student must be enrolled, attending and passing at least 66% of a full time class load during the current semester.
3. A student must have passed and have on file in the school office a current physical examination for the current school year, dated after April 15th of the previous year.

BENZIE COUNTY CENTRAL SCHOOL DISTRICT REQUIREMENTS

All grades are cumulative

Academic Eligibility will be in effect for all Extra-curricular activities, i.e., sports, drama, musical, field trips, etc. Benzie Central athletes' eligibility is checked four times per year; however, coaches will continue to receive a list of D/F students at the end of each week to monitor their athletes' academic progress.

1. Nine Week eligibility requires students to pass six (6) of seven (7) courses per nine-weeks (or 85.7%); if a student athlete fails to pass 85.7% of his/her classes, he/she is ineligible to participate for the entire duration of the upcoming nine weeks.

***This exceeds the 66.7% required by the MHSAA

2. Eligibility is determined on the following criteria:

*Q1 Eligibility: Students must pass six of seven classes during the 2nd Semester of the previous school year (S2)

Q2 Eligibility: Students must pass six of seven classes during the 1st Nine Weeks (Q1)

Q3 Eligibility: Students must pass six of seven classes during the 1st Semester (S1)

Q4 Eligibility: Students must pass six of seven classes during the 3rd Nine Weeks (Q3)

*Because Benzie Central Students have the opportunity to make up credits during the summer, students who complete the requirements for credit recovery will be eligible to play if the recovered credit brings a student up to a 85.7% success rate.

- a. Teachers will be provided with team/cast rosters of student athletes at the beginning of each sport season. We will evaluate, through PowerSchool, the grades of all athletes Friday PM.

- b. The athletic department will generate a list of student names, with the students with grades at the "D+" level and below. This will also list students who are failing classes. This list will be distributed to the coaches, instructors and advisors. Coaches and instructors are asked to encourage their students to seek extra assistance as needed.
- c. Ineligible students will not be allowed to leave school early to travel with the teams to away events.

Individual sports teams will determine whether a student athlete will remain on the team. Factors taken into consideration are sport season, grade level and effort to improve grades. Academics are the main reason for attending school, and sports participation may be interfering with the time they need to devote to success in the

Any ineligible student will not be allowed to leave school early to travel with the teams to away events.

- 1. A student must have all debts from past and current marking periods paid.
- 2. A student must exhibit appropriate behavior commensurate with the privilege of representing Benzie County Central School in athletic activities.
- 3. Benzie County Central Schools do not provide student accident insurance for athletic injuries.
- 4. If a student is enrolled in a physical education class, he/she must be dressed and must participate in the physical education class. Failure to do so will automatically exclude the student from practice or game that day. A doctor's excuse or a parental excuse excluding the student from physical education will automatically exclude the student from athletic practice and games for the duration of the physical education exclusion.
- 5. Negative public comments or photos displayed on social media (Facebook, Twitter, etc.) and/or text messaging regarding a team, teammates or coach will result in a suspension and/or termination.
- 6. The district has determined that the following student behavior will result in suspension from athletic activities at Benzie County Central Schools. The following procedures **will apply all year**, not only during school months:
 - a. Suspension penalties will be applied for a FELONY charge as follows:
 - i. FIRST OFFENSE – Suspension from athletic activities for 365 days.
 - ii. SECOND OFFENSE – Expulsion from athletic activities for the remainder of their high school career.
 - b. Suspension penalties will be applied for any of the following:
 - i. Any student accused of violating a criminal statute. Formal charges not pursued or dropped by the authorities may not conclude liability on the part of the student for school censure. Through established due process procedures, immediate suspension will result for that student if school authorities deem the student liable for actions that reflect poorly on the school.
 - ii. Any student charged by the school with theft or destruction of school property.
 - iii. Any student accused of an offense involving drugs, tobacco, alcohol or inhalants witnessed by at least one of the following: advisor, teacher, coach or administrator— independent of whether or not charges are made or any conviction is obtained.
- 7. Violations of the athletic policy begin with the students' first day of seventh grade and will stay with them through the summer of their eighth grade year. They will then have a clean record when they begin the first day of their ninth grade and violations will stay with them through their senior high school career. Violations of this athletic policy will result in a 24-month probation period.

If a student **self-discloses** and accepts responsibility for his/her actions **prior to** questioning, the suspension shall be reduced to a 10% suspension from that sport season. **THIS WILL ONLY BE DONE ONE (1) TIME, IN A CAREER.**

Suspension penalties:

- 1. For items bi, bii and biii.
 - FIRST OFFENSE** – Suspension from 25% of that regular sport season (not including MHSAA tournaments). In the event that there is not 25% of the current sport season left or the student is not currently involved in sports, the suspension would carry over into the next sports season in which the student participates. This will include carrying over into the next school year. A student must complete the sport season in which they are serving their suspension, in order for the suspension to be valid. The season being from MHSAA official start date through the conclusion of Benzie Central participation in the MHSAA tournament series.
 - SECOND OFFENSE** – Suspension from athletic activities for 365 days. (Suspension is defined as non-participation in any sport from the date of the second offense.)
 - THIRD OFFENSE** – Loss of athletic and extra-curricular privileges for the remainder of their high school career.
- 2. For item bii.

A student may have the suspension time reduced to a six-month calendar suspension if he/she completes a drug/alcohol-counseling program. The program will consist of five documented sessions and must be completed with the six-month calendar suspension. A student needs to remain in good standing during this time.

INVESTIGATIVE HEARING AND APPEALS PROCEDURE

1. If the Athletic Director finds the student to be in violation, he/she shall be suspended immediately in compliance with the discipline section above.
2. The student or the parent has the right to appeal the decision in writing to the Athletic Director within forty-eight hours of the decision. Suspensions may be held in abeyance until the final outcome of the appeals process. The Athletic Appeals Board shall meet within five days of the appeal. Incidents that are directly witnessed are ineligible for appeal.
3. An Athletic Appeals Board shall be selected by the Board of Education at the beginning of each school year. A pool of ten (10) members shall be established. The Athletic Appeals Board will consist of five members of the community. No member of the coaching staff will serve on the board.
4. The Athletic Appeals Board shall review the findings of the Athletic Director, coach and building principal (if necessary). The coach and Athletic Director shall present their position and the student will present his/her position. The Athletic Appeals Board will decide the guilt or innocence of the student. The Athletic Appeals Board may not modify or deviate from board policy or penalties.
5. After the presentation, the Athletic Appeals Board shall meet in closed session to deliberate. The Athletic Appeals Board may vote to affirm or reverse the decision made by the Athletic Director, the coach and Building Principal (if necessary). All voting shall be by secret ballot. A decision to affirm or reverse will be by a simple majority. No Athletic Appeals Board member will be allowed to abstain. A decision by the Athletic Appeals Board shall be rendered the same day as the hearing.
6. The decision of the Athletic Appeals Board shall be final.

BENZIE CENTRAL ATHLETICS DUAL SPORT APPLICATION AND GUIDELINES

Benzie Central promotes and encourages the participation of athletics for our student athletes. With this in mind all involved have to understand the expectations and commitments that are required.

A student may take part in dual sports with the appropriate permission forms completed and signed by the athletic director.

Prior to Dual Sport application both coaches need to be in agreement with the arrangement of primary sport selected and requirements of the student/athlete. This is with the understanding that at any time there is a conflict with a contest; event or practice the student/athlete will be required to attend the primary sport selected.

Dual sport participation comes with great responsibility and commitment. It is important that the student/athlete understands that their academics and attendance is first and foremost. At any time if there is a change in academic achievement or attendance, dual sport participation will need to be evaluated and if it should continue.

Parent/Guardian are in agreement of the expectations of the programs selected to dual sport. They are in agreement of cost, transportation and time involved to help assist in making this a positive experience for the student/athlete.

Athletic Director is in agreement with the application process, and all issues are addressed and accounted for. If there is a question regarding the physical demand that will be placed on the student/athlete the application will be denied in the best interest of the applicant or if participation has a negative impact on either team.

This process needs to be completed and approved prior to the first day of practice of the upcoming season in which the dual sport application has been requested.

OTHER IMPORTANT RULES, PROCEDURES AND EXPECTATIONS

1. A student **must be in school a full day in order to practice or compete in a school-sponsored activity. Only the School administration or Athletic Director, with advance notice, can waive this rule.**
2. An advisor or coach of any activity program may, if he/she so desires have rules in addition to those listed here. If other rules do exist, the advisor or coach of that program must explain them to the students prior to the beginning of the program—**rules must be in writing.** Rules may exceed policy but not be less than policy. Rules must be approved by the administration, before distribution to students and parents.

3. A student may take part in dual sports with the appropriate permission forms completed and signed by the Athletic Director.
4. No athlete can change from one sport to another sport during the same sports season; with the following exceptions:
 - a. He/she is cut from the first sport by the coach of that sport.
 - b. He/she makes the change within one (1) week of the start of the season.
 - c. He/she has a doctor's note that states that he/she can no longer participate in the first sport but may take part in another sport taking place during that season.
5. There will be no use of school facilities for Sunday practices, required or optional without prior approval of the administration.
6. All students must ride the school bus providing transportation to an away event and back to Benzie County Central School from that event with the following exceptions:
 - a. If the parents of a team member go directly to the coach and ask to take their son or daughter with them and sign the student out.
 - b. If a student has a signed note from the Principal, Director of Student Services or Athletic Director to ride home with parents of another team member or adult family member, i.e. brother or sister.
 - c. Benzie Central may provide other options for students to travel to and from games with signed parent permission forms each season. Advanced notice of the procedure must be approved by the parent of the student.
7. Money Earned Policy: if any part of any uniform or equipment is paid for by money earned through the school's name, that uniform or equipment is property of the athletic department at the end of the season. There will not be any exceptions to this rule.
If there are any questions concerning how this type of money may be used, feel free to call the Athletic Director at the school.
8. Students seeking medical attention will not be allowed to return to participation status without the written release from a treating physician.

CONFLICT IN EXTRA-CURRICULAR ACTIVITIES

The Athletic Department recognizes that each student should have the opportunity for a broad range of experiences in extra-curricular activities and, to this end, will attempt to schedule events in a manner to minimize conflicts.

Students have a responsibility to do everything that they can to avoid continuous conflicts. This would involve being cautious about being involved in too many activities. It also means notifying the faculty sponsors involved immediately when a conflict does arise.

When a conflict does occur, the sponsors will meet and work out a solution so the student does not feel caught in the middle. If a solution cannot be found, then the principal will make a decision considering the following:

1. The relative importance of each event.
2. The importance of each event to the student.
3. The relative contribution the student can make to the event.
4. How long has each event been scheduled.
5. Conversation with the parents.

Once the decision has been made and the student has followed the decision, he/she will not be penalized in any way by the faculty sponsor or athletic coach. If it becomes obvious that a student cannot fulfill the obligation of a school activity, he/she should withdraw from that activity.

SCHOOL SONG

Cheer Huskies red and white
 And prove our colors are so proud and right
 Cheer and to the foes defy, we will win
 V-I-C-T-O-R-Y.
 Come on and go Central win this game
 and to our school we'll bring more fame
 Hail Huskies stand and cheer for Central High!

TRANSFERS FOLLOWING VIOLATION OF A SCHOOL'S STUDENT/ATHLETIC CODE

Benzie County Central Schools will enforce upon a transfer student any period of ineligibility to which that student would have been subject as a result of a student or athletic code violation(s) at that student's most recent previously attended school.

A student who transfers to Benzie County Central Schools after becoming ineligible because of student or athletic conduct code violation(s) at the previously attended school shall remain ineligible at Benzie County Central Schools for not less than the period of ineligibility imposed by the previously attended school. This would be the case even if the student's situation would otherwise satisfy one or more of the exceptions to the transfer regulation of Benzie County Central Schools and the Michigan High School Athletic Association (Regulation I, Section 9), and even if the act which caused the student's ineligibility at the previous school would not be a violation or cause the same period of ineligibility at Benzie County Central Schools.

That student was subject to the rules and penalties of the previous school and shall not be allowed to escape the consequences of his/her conduct and, in doing so, displace students of Benzie County Central Schools from teams, positions, events and awards at least until the full period of ineligibility has been served.

NCAA CLEARINGHOUSE & COLLEGE ATHLETIC PARTICIPATION

Many times parents feel their athlete possesses the ability to participate at the next level beyond high school and their students agree. It is imperative that parents and students recognize their responsibility to read and know the requirements of the collegiate programs they are interested in; each level has different requirements that must be met while the student is in high school. If you have questions, please contact the Athletic Office or the High School Guidance office and consult the Benzie County Central High School Course Description Guide, produced each year with our course offerings and requirements for graduation.

General Student Policies

ACADEMIC DISHONESTY

All students at Benzie Central High School are expected to practice and uphold standards of academic integrity and honesty. Students must assume that individual work on exams, reports and documentation of sources is expected unless the teacher specifically says that it is not necessary. Academic integrity means representing oneself and one's work honestly. Misrepresentation is cheating as it means a student is claiming credit for another's ideas or work and is, thereby, trying to receive a grade not actually earned. The following are examples of academic dishonesty:

1. Using materials such as books and/or notes on an exam, test or quiz when not authorized by the teacher.
2. Copying from another person's work or helping someone copy.
3. Requesting and/or receiving assistance from another student during an evaluation when express permission to do from the teacher has not been obtained.
4. Claims of personal accomplishment that are invalid or untrue.
5. Plagiarizing from the work of others (using someone else's work or ideas without giving the other person credit).
6. Falsifying data or submitting data not based on one's own work.

ATTENDANCE

Philosophy

Regular school attendance is an asset to the learning process; a student's presence in the classroom aids in instilling concepts of self-discipline and exposes them to group interactions with teachers and fellow students. Such presence also enables students to hear and participate in class instruction; discussions and other related learning experiences. These and similar considerations are valuable educational experiences which will not necessarily be fully reflected in test results.

Something important happens in class every day and activities or interactions with teachers or fellow students can never be exactly duplicated. In order for the school staff to do the best possible job of educating the students entrusted to them, students must be in regular attendance. A successful educational program requires the cooperation of the parent(s), students, and school staff at all levels in the process.

“One of the most vital points in the process of education is that of Attendance.”

Goal of Benzie Central High School

The goal of the high school is to maintain 95% attendance throughout the school year. This is a worthy goal for students as well. To reach the 95% goal, a student could not be absent more than a total of 8 days throughout the school year. This equates to no more than 4 absences per semester. This would not only provide students with the best opportunity to be successful in their classes, and it instills employer expectations when they transition into the workforce.

Attendance Policy

If a student exceeds the nine (9) day limit and does not do make-up with a Saturday School they will be required to take the semester exam and demonstrate proficiency (70%) in order to receive credit for that course. The highest grade they can receive will be a "D*" and will equate to .67 points toward their cumulative GPA.

When a student accumulates ten (10) or more semester absences in a class (es) the student and parent/guardian will be notified that the student may have a grade reduction in the class (es) he/she has accumulated this number of absences. The administration will review the student's attendance and create a plan for their success that may look like the following:

Students will be allowed to make up 3 days with 3 different Saturday Schools. Credit will only be granted upon demonstration of proficiency on the semester final exam (C- or better). Students and parents of those students who must demonstrate proficiency will be notified the week before exams each semester.

A student may receive a "D*" (grade reduced due to poor attendance) and will earn .67 toward their GPA. Poor attendance would be defined as 10 or more absences without adequately making them up with Saturday School.

1. All excused and unexcused absences count toward the nine-day limit with the following exceptions:
 - a. Long term medical; doctor's written verification stating **Under Doctors Care**. (This does not include doctor appointments.) (Must be three or more days in a row).
 - b. Funeral attendance (immediate family).
 - c. Scheduled court appearance with written verification.
 - d. College visits arranged through the high school office.
Three visits total during the junior and senior years.
No visits allowed after May 1st.
 - e. School authorized field trips.
2. A student who has ten (10) consecutive unexcused full day absences may be dropped from the school if school parents do not contact high school office.
3. Pre-Excused Absences - These days count toward the 9-day limit in the high school:
 - a. All pre-excused absences must be cleared by the principal's office prior to the absence.
 - b. The parents must make a written request.
 - d. Work must be made up and assignments completed to the satisfaction of the teachers involved.
4. Students may not attend any school activities on the days they are absent or suspended from school.
5. *A student must be in school a full day in order to practice or compete in a school-sponsored activity. Only the school athletic director or administration, with advance notice, can waive this rule.*

Attendance Procedures

Parents or legal guardians are asked to call the high school attendance office at (231) 882-4497 for students in grades 9-12 on the day(s) an absence occurs. This assists in providing accurate attendance for your child's records.

Automated calls will be placed to the student's home every evening for students who have an absence that has not been cleared by their parents that day.

If a parent is unable to call during the regular school hours, they may leave a message for our attendance secretary by calling. An automated service will instruct you to press #1 for the attendance office. A note may also be sent with the student on the day they return.

Absences for school-sponsored activities will be recorded and will not count against the student.

Make-Up Work

A student who is absent or truant from school must be responsible to get any assignments he/she needs to complete. The student has the number of days absent plus one day to turn in his/her work. This is a minimum; teachers are encouraged to hold students accountable for make-up work allowing a reasonable amount of time. Parents, guardians or students may contact the student’s teachers for assignments via email.

Incompletes

When illness or other valid reasons have interfered with a student’s ability to meet class deadlines, an incomplete (I) may be given rather than a grade. A reasonable amount of time will be given to the student to complete the work and receive a grade.

Saturday School

Saturday school is an option for students who have excessive absences and need to make up seat time. Our goal is to keep all students in school. We will schedule Saturday school (8:00 a.m. to 12:00 p.m., at the school or central office) throughout the school year. The students will be supervised by an adult and are expected to quietly study for the four hours. Saturday schools will be used for tardies and excessive absences.

Students who wish to attend a Saturday school to make-up absences during the semester may do so (maximum of three) per semester. They must make arrangements with the attendance/discipline secretary before the Saturday school.

Note: If students who are assigned Saturday school fails to attend, he/she will receive a suspension from school.

Truancy

The Michigan Compulsory Attendance Law (MCL 380.1147, 380.1278a, 380,1278b, 380, 1284, 3801284b, 380.1561, 380.1599. MCL 388.1701) (2010) now states that students must attend school from ages 6 to 18 years, with few exceptions. The law mandates a student who turned age eleven on or after December 1, 2009, or who was age eleven before that date and entered grade 6 in 2009 or later, must attend school until they are to eighteen years of age. The following chart may be used as a guideline for determining which class will have to attend until the age of 18 years of age.

The change applies to a child who:

- Turns age 11 on or after December 1, 2009, (child’s DOB is 12/01/98) or after)
- Was age 11 before December 1, 2009, and entered grade 6 in 2009 or later

This change does not apply to a child who:

- Turned age 11 before December 1, 2009, (child’s DOB prior to 12/01/98)
- Entered grade 6 before 2009
- Is at least age 16 and whose parent(s)/guardian(s) have provided the District with written notice that the child has permission to stop attending school (Opt-out provision).

Age 11, December 2009	<u>OR</u>	6 th Grade 2009-2010 School Year
Age 12, December 2010		7 th Grade 2010-2011 School Year
Age 13, December 2011		8 th Grade 2011-2012 School Year
Age 14, December 2012		9 th Grade 2012-2013 School Year
Age 15, December 2013		10 th Grade 2013-2014 School Year
Age 16, December 2014		11 th Grade 2014-2015 School Year
Age 17, December 2015		12 th Grade 2015-2016 School Year

School truancy is a serious concern for our youth in Benzie County. Truancy is not only detrimental to success in education, but is a stepping-stone to delinquent and criminal activity. Reports have concluded that chronic absenteeism is the most powerful predictor of delinquent behavior. Absences in excess of 5 days/semester and 10 tardies without a valid excuse (proper documentation is needed) are considered excessive.

**Federal Policy is directing the Department of Services to require school attendance as a condition of temporary cash assistance eligibility for all children ages 6-18 effective October 1, 2012.

- Age 6-15 – A dependent child age 6 through 15 must attend school full-time. If a dependent child age 6-15 is not attending school full-time, the entire FIP group is not eligible to receive FIP.
- Age 16 or 17 – A dependent child age 16 or 17 who is not attending high full-time is disqualified from the FIP group in Bridges

- Minor Parents – A minor parent must attend school full-time. If a minor parent fails to comply with this requirement, the minor parent and the minor parent’s children) are not eligible for FIP.

The Truancy Program is a collaborative effort between the Benzie County Central Schools, Frankfort-Elberta Schools, Traverse Bay Area Intermediate School District, Benzie County Family Court/19th Judicial Court, Benzie County Prosecuting Attorney, 85th District Court, Grand Traverse Band Tribal Court, Grand Traverse Band Education Department, Benzie County Sheriff’s Office, Grand Traverse Band Tribal Police, Michigan State Police and the Department of Human Services Area.

Parent Responsibility:

It is the responsibility of the parent(s)/guardian(s) to see that their child attends school regularly and on time. By law, “every parent, guardian, or other person in this state having control and charge of a child from age six to the child’s eighteenth birthday, shall send that child to the public schools during the entire school year.” Violation of this law is a misdemeanor punishable by up to 90 days in jail and/or a fine. Exceptions to this law exist, including attendance at approved non-public schools and home schooling. MCL 380.1599

School Responsibility:

Schools must inform parent(s)/guardian(s) when their child is not in school. Comprehensive attendance procedures should be adopted by public schools that are understandable and reasonable. The law requires that the school meet with the parent(s)/guardian(s), with the child to address educational problems including truancy. It is important that the school address the issue of truancy as quickly as possible. Schools must accurately document every absence and respond appropriately and immediately in offering support to students. An effort should be made to resolve issues contributing to the student’s attendance problems.

Court Responsibility:

The Benzie County Family Court/19th Judicial Court has jurisdiction over youth under age 17 who “willfully and repeatedly absents himself or herself from school or other learning programs intended to meet the child’s educational needs...” MCL 712A.2(a)(4). The Principal/ School Attendance Personnel, school counselor/youth Intervention specialist will hold a Truancy Action Meeting with the parent(s) and child (the child attends the meeting only in middle and high school truancy cases) to resolve truancy issues. If after the meeting, the child’s absences continue, the Principal/SAP in conjunction with law enforcement may file a Truancy petition (in middle school and high school cases) with the Benzie County Prosecutor’s office. In the case of elementary truancy the parent(s) are responsible for attending the Truancy Action Meeting (the child does not attend). If the absences continue following the meeting (in elementary school cases), the Principal/SAP may bring it to the attention of the Benzie County Truancy Coordinator/Prosecutor’s Office for further review.

APPEAL POLICY

After a student has a grade (D*), reduced due to excessive absences the parent/guardian may ask to appeal the decision before the principal.

IN THE HALLWAY

Keep to the right. WALK, DO NOT RUN. Go directly to and from your classes: do not loiter in the halls or congregate around doorways, water fountains, lockers, or rest rooms.

Students are not to be in the corridors during the time that classes are in session unless they possess a passbook with a signature from the office or a member of the teaching staff.

IN THE PARKING LOT (Senior High)

We recognize the need for students to drive to and from school, morning and night, and still a further need for some to drive during the school day; and we believe that the students should have this privilege if the need exists. The purpose of school traffic regulations is to eliminate needless and reckless driving.

At the beginning of each school year, rules and regulations will be issued to those students wanting to drive. Students will be granted permission to drive only upon the completion of a registration form which may be obtained in the office.

- All motor vehicles driven to school regularly or occasionally must be registered and have on display a parking permit hanging from the mirror.
- Such permits may be obtained only after the completion of the registration form and a fee payment of \$5.00. If a permit is lost, a \$10.00 fee will be charged to replace it.
- Failure to purchase a permit and continue to drive on campus will lead to loss of driving privileges for the remainder of the school year.
- All motor vehicles driven to school by students are to be parked in the west parking lot. The first line nearest the building on the west side is reserved for teachers' parking, beginning with the double doors going from the gym and continuing north.
- Vehicles are not to be driven during the school day.
- Students may not loiter in the parking lot or in parked cars at any time. Students violating this regulation may be suspended and/or loss of driving privileges.
- All vehicles must be locked.
- Exhibition driving will not be tolerated. Any confirmed report of reckless driving in school will result in loss of driving privileges and a report of the incident will be filed with the Benzie County Sheriff's Department.
- Any report from a bus driver regarding pulling in front of a bus or driving carelessly near a bus at any location in our community will result in loss of driving privileges and a report will be filed with the Benzie County Sheriff's Department.
- Unauthorized students who drive (or are passengers) to the Career Tech Center will receive for their first offense a Saturday School or detention. A second offense may result in the driver losing all driving privileges for the remainder of the school year.
- If you have to visit your car during school hours, first report to the main office to receive a pass.
- Unidentifiable vehicles and vehicles not having permission to park on school property may be towed at the owner's expense.
- The speed limit for the parking lot is 15 miles per hour.

AT SPORTING EVENTS

Students who come to the school on the nights of athletic events are here for the primary purpose of watching the contests and supporting their teams. To protect the rights of these students, the following regulations have been set forth:

1. Students who are loitering will be asked to leave school property.
2. Once a student has left the building or field, he/she will be unable to return unless he/she has special permission.
3. Students are asked not to get up and leave the gym or field while the game is in progress (unless there is an emergency). Leave only during the half and between games.
4. Students are to conduct themselves properly as spectators and are to show good sportsmanship. Throwing things, pushing, displaying inappropriate affection, and making unsportsmanlike remarks to players or referees are not conducive to being a good spectator and may result in your removal from the building.
5. The doorways into the gym must remain open. Please do not stand in the doorways.

ELECTRONIC DEVICES

Unauthorized use of cell phones, smart watches, recording devices, tablets, laptops, gaming devices, personal digital assistants (PDA's), or similar electronic devices that in any manner disrupts the educational environment or violates the rights of others is not permitted. All cell phones and similar electronic devices must be POWERED OFF and out of sight during the class period. Cell phone/electronics storage locations are provided in each classroom. EXCEPTIONS: (a) supervising teacher grants permission, or students have administrative approval. Benzie Central Schools are not responsible for lost, stolen, or damaged equipment. Failure to observe these expectations will result in the following: 1st offense – device is surrendered to the instructor and held in the main office until the end of the day. 2nd offense – device is surrendered to the office for the remainder of the day and must be picked up by a parent or guardian. 3rd offense – device is surrendered to the office until parent meeting takes place to determine if device will be allowed in school. 4th offense - device is surrendered to the office and may be held for the remainder of the school year.

STUDENT SIGN IN/OUT

All students must sign in at the office if they arrive late to school or are returning from an appointment. This must be done in order to keep our records accurate.

All students must sign out in the office before leaving school during school hours. Students must have their parent or guardian call the school office, send email, or a signed note to excuse the absence. Students who fail to sign out properly shall come under the truancy section of the student code. **BENZIE CENTRAL IS A CLOSED CAMPUS.** Only students authorized by the school administration will be allowed to go to the parking lot.

- Backpacks/purses/bags must be placed in locker upon arriving at school. Absolutely no backpacks are to be brought to classrooms or cafeteria.

Students who are in violation of the dress code will be referred to the office where the following course of action will be taken:

1. Students will be given the opportunity to change into their own appropriate clothing.
2. Contact will be made with home and someone may bring appropriate clothing for the student.
3. The student will be allowed to choose from an assortment of clothes found in the clothing closet.
4. The student may spend the remainder of the school day in the office, ISS, or asked to go home.

If the parent or guardian gives the office verbal permission to allow a student to go home and change clothes, the student will be allowed to leave but will receive an absence for the time that they are away from school. Failure to comply will be considered insubordination.

***The school reserves the right to amend the dress code at any time. Students will be notified of these changes in advance of them taking effect. These rules shall be followed unless a specific request for religious accommodations is made and accepted by the building principal.**

GUIDANCE DEPARTMENT SERVICES

GUIDANCE AND COUNSELING

The Counseling Department consists of two guidance counselors who work primarily with students from grades six to twelve. We provide counseling and guidance services while overseeing transitions from middle school to graduation completion. Our services include personal needs or individual counseling, small support groups, classroom guidance, academic mediation, college planning, crisis counseling and referrals, 504 planning, and scheduling. We value, and cannot stress enough, the importance of working together with parents as a team to work toward a successful school experience. If you would like to schedule a meeting at any time during the school year, contact either one of the counselors and we can set aside time for a meeting. We can also be reached by phone or email.

We want students and parents to know that we are here to help and assist with any concerns, so feel free to stop in and introduce yourself sometime. SPECIAL STUDENT OPTIONS

CREDIT MAKE-UP/CORRESPONDENCE CLASSES

Correspondence course information for seniors is available from the guidance office.

CO-OP PROGRAM

The Co-op program at Benzie Central is under the auspices of the Traverse Bay Intermediate School District's Vocational Program. Co-op is open to senior students who have successfully enrolled in CTC vocational education programs or who are currently enrolled in CTC vocational preparatory classes.

Students are placed on a job related to previous training and career goals and have a binding agreement with an employer in the community. Students receive instruction on the job as well as required academic courses and job-related instruction at school. Work periods and school attendance may be developed around any number of alternative time schedules. School credit is given for work experience and students are paid by the employer. The program and work experience are planned and supervised by the Co-op coordinator. If a student's work for the day is canceled, he/she should report to the office in the building.

DUAL ENROLLMENT

Dual enrollment is an educational option for any high school student whereby the student is officially enrolled in high school and is simultaneously enrolled in one or more college classes.

In order for students to qualify for this option and have the school pay for a portion of the tuition and fees, they must meet certain requirements. (Must pass High School Proficiency Test.) If you have questions regarding this, please see your counselor.

EARLY GRADUATION POLICY

Students wishing to graduate early must follow all steps of the Early Graduation Application, which is available from the high school counselor. All early graduation requests are first reviewed by the high school counselor and principal and then submitted to the Board of Education. The Board of Education will evaluate and determine approval of each request on a case by case basis.

TESTING OUT POLICY

Any student requesting credit for course work earned from another institution may be required to follow the Benzie County Central School's "testing out" policy. For more information, see the counselor.

Students must submit a written request by May 1st of each year. Students will be provided syllabus with learning objectives. Exams will be provided to be administered the last week in August before students return to school. Students must score a 78% in order to demonstrate proficiency.

VOCATIONAL PROGRAM (CTC)

Students who are enrolled in the morning CTC program at Traverse City will depart by bus to their classes at 8:35 a.m. each day and return approximately at 12:40 p.m. Afternoon CTC students will depart by bus at 11:20 a.m. and return approximately at 3:40 p.m. ALL STUDENTS ATTENDING THE CTC CLASSES MUST RIDE THE BUS TO AND FROM THE CTC. ANY EXCEPTIONS WILL BE GRANTED BY THE BUILDING ADMINISTRATORS. The front lobby restrooms will be open for these students when they enter the building. They may return items to their lockers, which will be in the hallway near the Home Economic rooms and then report to the cafeteria. The CTC buses will not run when school at the CTC is canceled. When Benzie is on a two-hour delay the morning CTC bus will not run but the afternoon CTC bus will. The Career Tech Center is never on a weather delay. When Traverse City Schools are closed due to weather, the Career Tech Center is closed; in which case, the CTC students do not need to report at Benzie until their scheduled class times. On early release days (release time 10:40 a.m.) the morning CTC bus runs as normal and students will ride their regular route from the school to their home. On a half-day of school (release time 11:05 a.m.) AM CTC students will arrive at Benzie the normal time and will need to find transportation home. On early release and half-day school schedules the afternoon CTC bus will not run. CTC STUDENTS MAY NOT ATTEND THE CTC WHEN THEY ARE SUSPENDED.

CTC students who drive (or ride) to the CTC without permission will not be credited with that day's attendance and assessed a 4-hour after school detention.

Parents and students have their own passwords to sign in. They are available in the high school office.

MAKE-UP WORK

A student who is absent from school must be responsible to get any assignments he/she needs to complete. The student has the number of days absent plus one day to turn in his/her work. This is a minimum; teachers are encouraged to hold students accountable for make-up work allowing a reasonable amount of time. Students pre-excused for school sponsored activities, i.e. athletics, Close-Up, etc. will not have additional time to make up work.

EXAM POLICY

A final exam period will be scheduled at the end of each semester for every class. All classes are expected to have exams during the times scheduled. Students are expected to be in the rooms or teaching areas during the entire time scheduled for the exam with no early dismissals allowed except when approved by administration.

Any student who earns a B+ (3.33) average in a class (full year class) during the second semester will be exempt from the exam if they and their parents so desire. Classes that are only a semester long will require a second semester exam.

Any student who misses an exam will receive an E for the class unless an arrangement is made with the teacher and principal.

The following classes **will require exams**: All Honors Classes, Pre-Calculus, All Advanced Placement Classes.

EXTRA HELP FOR STUDENTS

Teachers are here to assist you as much as possible. When you don't understand something in class, ask for a clarification immediately. **Don't wait!** If you feel you need considerable help, approach the teacher after class, and arrange for assistance before or after school, or during the teacher's preparation period.

Remember the responsibility is yours. You are the first to know when you are having difficulty in a subject!

EXTENDED LEARNING OPPORTUNITIES (ELO)

After School ELO interventions are used to help facilitate student achievement by giving students more time to complete their assignment(s) under the guidance of a certified supervisor.

After School ELO intervention will be utilized after school from 3:00 to 4:00 p.m. on Tuesdays and Thursdays. A teacher can assign ELO interventions or students may choose to attend them on their own.

SIP (STUDENT INTERVENTION PROGRAM)

Many students are troubled by problems that interfere not only with their academic performance but also with their emotional, physical, mental, and social development as well. And when students are troubled, so are teachers, counselors, administrators, and other support staff. Help is needed for those struggling students and for members of the educational community affected by their struggles. Each building in our school system has its' own team of educators working for students. In the high school, we have what is called the Student Intervention Team (SIT), comprised of several staff members that meet once a month. The purpose of (S.I.T.) is to plan strategies for students that we have concerns about academically and socially.

ACADEMIC RECOGNITION

HONOR ROLL

An honor roll for each grade level will be mailed to the news media at the end of each nine-week marking period. The lists that appear in the media are based on the nine-week marking period.

The minimum honor roll average will be 3.0 points. The honor roll is computed on a 4.0 system. The grade point average is computed on a 4.0 system using plus (+) and minus (-) grades. Students with questions concerning this computation should see their counselor for clarification. Please see grading for grade values.

Each senior graduating in the Top 10 of his/her class is recognized with a dinner sponsored by the Rotary Club as well as during the Honor Night and at graduation.

Calculations will be carried to 3 decimal places.

SAT scores for this award must be reported to the school from the College Board by the last day of semester 1 of the senior year. The best score reported will be used in this formula. The awards of valedictorian / salutatorian do not affect a student's class rank. High school transcripts will only report numerical class rank.

If students are suspended from school, **they may not attend** driver education.

HEALTH/MEDICATION INFORMATION

The school should be made aware of any medical conditions. Please do this every year. It is required that the school has a written statement from the doctor prescribing any necessary medications to be given to a child at school. This written statement could be in the form of the prescription bottle. **If it is necessary for your child to receive any medication at school, a form (available in the office) must be filled out and signed by the parent.**

The parent must bring the completed form and medication (in the original prescription bottle) to the office. PLEASE DO NOT SEND MEDICATION TO SCHOOL WITH YOUR CHILD ON THE BUS. IT WILL NOT BE ADMINISTERED IF IT IS NOT BROUGHT IN BY THE PARENT. If a change is made in the time a medication is to be given, a new form needs to be filled out.

Students may be in possession of inhalers, as long as the above procedure is followed.
