

WELCOME TO BENZIE COUNTY CENTRAL SCHOOLS FEATURED FRIDAY ALUMNI. Today we would like to recognize Danielle Plumstead (Moss). Danielle graduated from Benzie Central High School in 2004. She attended Alma College where she graduated in 2008 with a Bachelor of Science Degree in Athletic Training. Danielle always knew she wanted to work in the medical field and it was during her time at Alma that she realized she wanted to pursue her passion of helping others by obtaining her nursing degree. Upon graduation from Alma College in April 2008, Danielle attended Duquesne University's Accelerated Bachelor of Science in Nursing Degree Program in Pittsburgh, PA. She graduated with honors in August 2009. Danielle has enjoyed working as an RN on medical surgical and labor and delivery units, and most recently, as a home health nurse in Oklahoma. Currently, Danielle is enjoying her time staying at home with her young sons. On December 19, 2009 Danielle married her high school sweetheart John Plumstead in Traverse City, MI. John and Danielle have four sons, Carson (5), Griffin (4), Wyatt (2), and Chase (8 months). The Plumstead Family has moved six times in the past 8 years due to John's military career, having lived in Oklahoma three times, Wisconsin, Colorado, and now Washington. Their family will be moving in the spring of 2018 to West Point, NY. Advice Danielle would give to her younger self is, "Surround yourself with positive, uplifting people that challenge you and make you better." Danielle, we are #OneBENZIE proud!
