2026

## Wrapping Up the Year

As we enter the month of May, we find ourselves approaching the final stretch of an exciting and productive school year. This is a time filled with reflection, celebration, and preparation for what comes next. Our students have worked incredibly hard, and we are proud of the growth they have shown both academically and personally. Throughout this month, classrooms will be focused on completing final projects, reviewing key concepts, and celebrating achievements. Teachers will also be conducting end-of-year assessments to help measure progress and guide future learning. We encourage students to stay focused, continue putting forth their best effort, and finish strong.

May is also a time for special events and memorable moments. From field trips and concerts to award ceremonies and classroom celebrations, there will be many opportunities to recognize student accomplishments and build lasting memories. Be sure to watch for communication from your child's teacher regarding specific dates and activities.

As we wrap up the school year, we also want to thank our families for their continued support and involvement. Your partnership plays a vital role in student success, and we are grateful for all that you do. Finally, we wish our students the very best as they prepare for summer. Whether continuing their learning, exploring new interests, or simply taking time to relax, we hope everyone enjoys a safe and happy break.

Let's make these final weeks meaningful, positive, and full of celebration!
