11th grade: SAT test, full school day
10th grade: PSAT 10 test, full school day
9th and 12th grade: no school

Wednesday, April 12

11th grade: ACT Work Keys test, full school day
9th grade: PSAT 9 test, full school day
10th and 12th grade: no school

Thursday, April 13

11th grade: M-STEP tests, full school day
9th, 10th and 12th grades: full school day, regularly scheduled classes

April is national “Distracted Driving Awareness Month”

- We want you here tomorrow, and the next day, and the next day after that. Don't talk or text while driving. One text or call could wreck it all.
- Car crashes are the single leading cause of death in teenagers in the United States. One of the main causes is distracted driving. Please drive safely and responsibly!
- Even little things can be big distractions when you drive. Keep your hands on the wheel and eyes on the road. Don't drive distracted.
- If you don't pay attention in class, you might fail. If you don't pay attention when you drive, you might crash. Don't drive distracted.
- For every second your eyes aren't on the road, you miss a lot you need to see. Keep your eyes and mind on the road when you're driving. Don't drive distracted.
- No call is more important than your life. More than 3000 distracted drivers crash and die every year. Don't talk or text while driving. One text or call could wreck it all.
