

WELCOME TO BENZIE COUNTY CENTRAL SCHOOLS FEATURED FRIDAY ALUMNI. Today, we would like to recognize Kendra McIntyre (Carpenter), Benzie Central Alumni Class of 2000.

Kendra attended both Northwestern Michigan College and Grand Valley State University, where she graduated Cum Laude. She holds a Bachelor Degree in Social Science with an emphasis in Elementary Education, and a Master Degree in Education with an emphasis early childhood developmental delays. Kendra is the mother to three Benzie students who attend Benzie Central Middle School and Lake Ann Elementary. She has always wanted to return to her local community to be a resource to children and families. She is both an educator for special education and a mother of a child with Autism, which has given her great insight into the struggles parents face and the difficulty to find resources for children in Northern Michigan. Kendra most recently joined the Benzie Central team as the Early Childhood Coordinator. Kendra and her family spend their summers hiking, boating, and camping.

Kendra, we are #OneBENZIE proud of your accomplishments. Welcome aboard! You guessed it...Mrs. Crossman says like, love, and share.
