

Lake Ann Elementary

June 2019 Newsletter – www.benzie.k12.mi.us

Note from Principal,

Our last day of school is **Monday, June 12th** – **11:50 dismissal**. HALF DAY without lunch being served. On that day, we will have an awards ceremony in the gym starting at 10:00am for grades 1st – 5th. Parents are welcome! It is a time to celebrate student achievement and recognize accomplishments.

It has been a fabulous year for the Lake Ann family. I can't thank you enough for your support, encouragement and suggestions throughout this school year.

From all of us to all of you -

HAVE A GREAT SUMMER!

State Test Scores

Benzie recently became the first school district in the region to take advantage of a state program to make state test scores available online to parents and students. You can access these scores through the same login that you use in PowerSchool to check on grades and attendance. The steps to use this new access are described in the attached document.

The program that makes this possible is called MiLearn. It was developed by the Michigan Department of Education and implemented with the help of the Traverse Bay Area Intermediate School District. MiLearn will be updated with future test scores as they become available.

Any questions about MiLearn can be directed to your school principal.

FIELD DAY

Monday, June 10th

Monday, June 10th is our annual school wide Field Day. K-5 students will participate in fun events that test their balance, coordination and agility as well as introduce middle school track events like the hurdle race. Partner and team events are also included. Events run from 10:00 to 11:45am with tug-of-war beginning at 2:00pm. Our Field Day is all about participation and having fun with good sportsmanship, regardless of a student's ability. If we are rained out on Monday morning, we will hold our Field Day on Tuesday, June 11th. Feel free to stop by and watch . . . you may just decide to join in some of the races.
