Middle/High School Upgrades

- Replace roof
- Fitness & weight classroom addition
- Remodel science labs
- HVAC upgrades, including ventilator replacements
- Remodel instructional spaces
- Security cameras and building access controls
- ADA upgrades

Student Transportation

- New bus garage
- New buses annually for the next 10 years

District-Wide Technology

- Student computers
- Projectors and other classroom equipment

DETAILS OF THE BOND PROPOSAL

You spoke, we listened. The term of the bond has been shortened from 30 years to under 25 years in this revised proposal. We have also added a crucial project to our scope in response to regional demand - the addition of preschool classrooms at Lake Ann Elementary. We've been able to do this while also decreasing the millage amount requested from 3.00 mills to 2.10 mills.

For More Details:

Matthew Olson, Superintendent
EML: olsonmp@benzieschools.net
TEL: (231) 882-9653

MILLAGE IMPACT:

Current millage is 1.6, proposed millage is 2.1. Approval of the bond proposal will result in a net increase of .5 mills.

Market Value	Taxable Value	Annual Increase	Monthly Increase
\$50,000	\$25,000	\$12.50	\$1
\$75,000	\$37,500	\$18.75	\$1.56
\$100,000	\$50,000	\$25	\$2
\$125,000	\$62,500	\$31.25	\$2.60
\$150,000	\$75,000	\$37.50	\$3
\$175,000	\$87,500	\$43.75	\$3.64
\$200,000	\$100,000	\$50	\$4.16

Taxable Value ÷ 1000 × 0.5 = Annual Increase

BC BENZIE CENTRAL SCHOOLS

2020 BOND

VOTING INFORMATION

Registering and Absentee Voting

The deadline to register to vote in any manner other than in-person should be done with the township clerk by **July 21**. Unregistered voters wishing to register on July 21 to August 4, should contact their township clerk directly.

Absentee Ballots Available: June 22, 2020

Who Can Vote? Any registered voter living in the Benzie Central School District.

Where to Vote? Vote in your usual polling place for local, state, and national elections. Visit michigan.gov/vote to locate your polling place or to register to vote.

VOTE TUESDAY

August 4, 2020

Ensuring Continued Excellence

Investing in a New Elementary for Future Benzie Students

Investing in Our Students

The bond allows Benzie schools to renovate all of the facilities, including:

- New roofs
- HVAC upgrades to improve student comfort and energy efficiency
- Reconstructing parking lots
- Security access control and surveillance additions
- Building upgrades such as furnishings, carpeting, and surfaces

Student Transportation

- A new bus garage to replace the inadequate current structure
- Bus purchases to create a sustainable fleet over the next 10+ years.

Current Conditions at Crystal Lake:

While we have maintained our schools and worked to make improvements over the years, Crystal Lake Elementary is no longer meeting the needs of our district. In 2017, a community committee made up of parents and community members analyzed the needs of the district. Some of the main factors at Crystal Lake include dated facilities that are inefficient and impact our students' learning environment and classroom space that is only 75% of the recommended space for K-5.

Current

STEM Lab Renovations

- Develops problem-solving skills
- Fosters creativity & innovation
- Promotes science-based career paths
- Prepares students for college curriculum and modern careers
- Increases storage space & flexibility

Improved Instructional Spaces

- Fitness & weight classroom additions
- Classroom improvements
 - Replacing casework
 - Updating finishes

A new elementary would allow for:

- Shared student spaces that support project-based and individual learning
- Modern educational environments for 21st century learning
- Operational and energy efficiency
