

presentations. Jay emphasized that interviewing is only one part of the selection process and that it is important not to base selections exclusively on the interview.

Each member of the Board of Education listed their top six candidates by number. The following candidates ranked within the top six after board discussion and consideration, and will receive first interviews:

#30, #50, #80, #45, #25, and #75. Should one of the six decline the first interview, #35 will be first back-up, and #55 will be a second back-up if needed. Jay shared that at this time, face-to-face vs. virtual setting for interviews is to be determined. Press releases will be shared by MASB with Catina Crossman for formal release. The first round of interviews is to take place on Tuesday, August 11 and Wednesday, August 12, times being 6:00 PM, 7:00 PM, and 8:00 PM both evenings. Second interviews are to take place on Monday, August 24 at 7:00 PM and 8:00 PM, allowing for an additional time slot if needed for more than two interviews.
