

Benzie Central Middle School

Virtual Learning Schedule

In preparation for remote learning, our school will soon operate under new schedule guidelines. The schedule will remain mostly intact, as starting times will remain the same (7:40 is still the beginning of our day). However, the class length will be reduced from 53 minutes to 30 minutes. Our teaching staff will still report to school as normal. Attendance will still be taken in PowerSchool. Students will be **REQUIRED** to access their instructor's Google Classroom or OTUS page during class time and join their classroom Google Meet when requested.
