

1) Accelerate often provides links to download fillable pdf worksheets. (Note: The forms opened by Activity buttons are fillable, while the forms opened by Download buttons are not.)

Complete the activity shown below as you go through this lesson. At the end of the lesson, submit it to your teacher for a grade.

2) Clicking the Activity link opens a fillable worksheet, but **don't type on it yet** - your work will **not** be saved when you download. Instead...

Main Lesson Book:
Animal Habitats Assignment

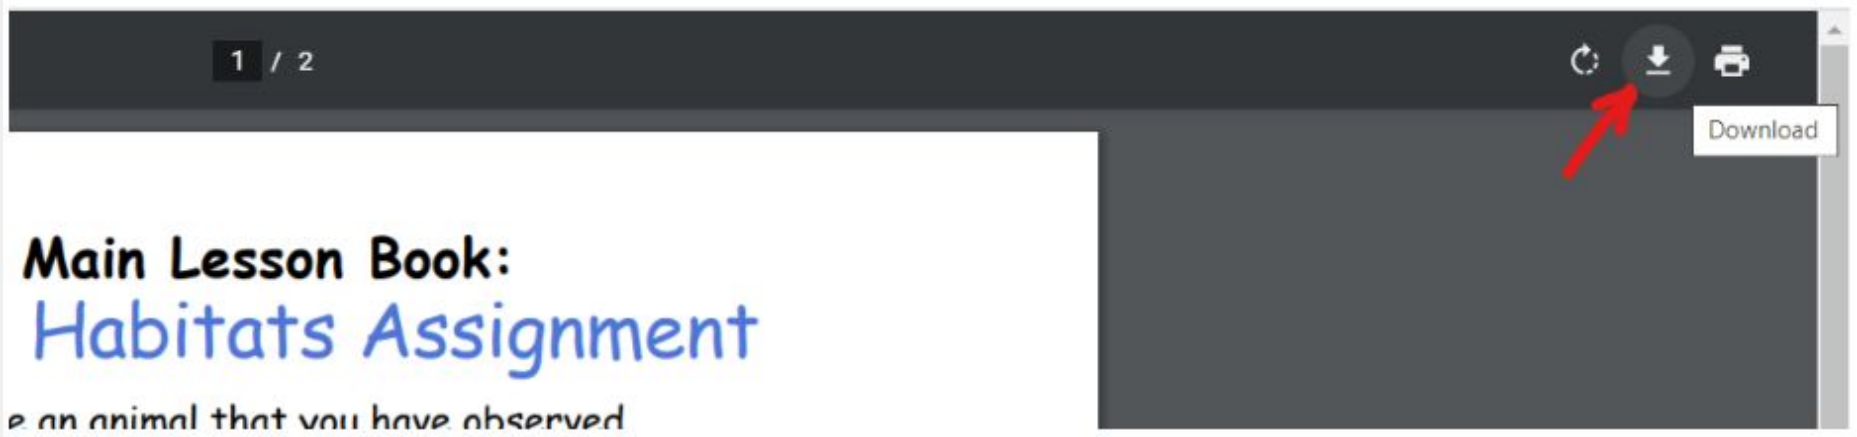

- In the box below, choose an animal that you have observed today. Draw the animal and its food source. Label your animal.
- On the second page, answer a few questions about your animal. Write complete sentences.

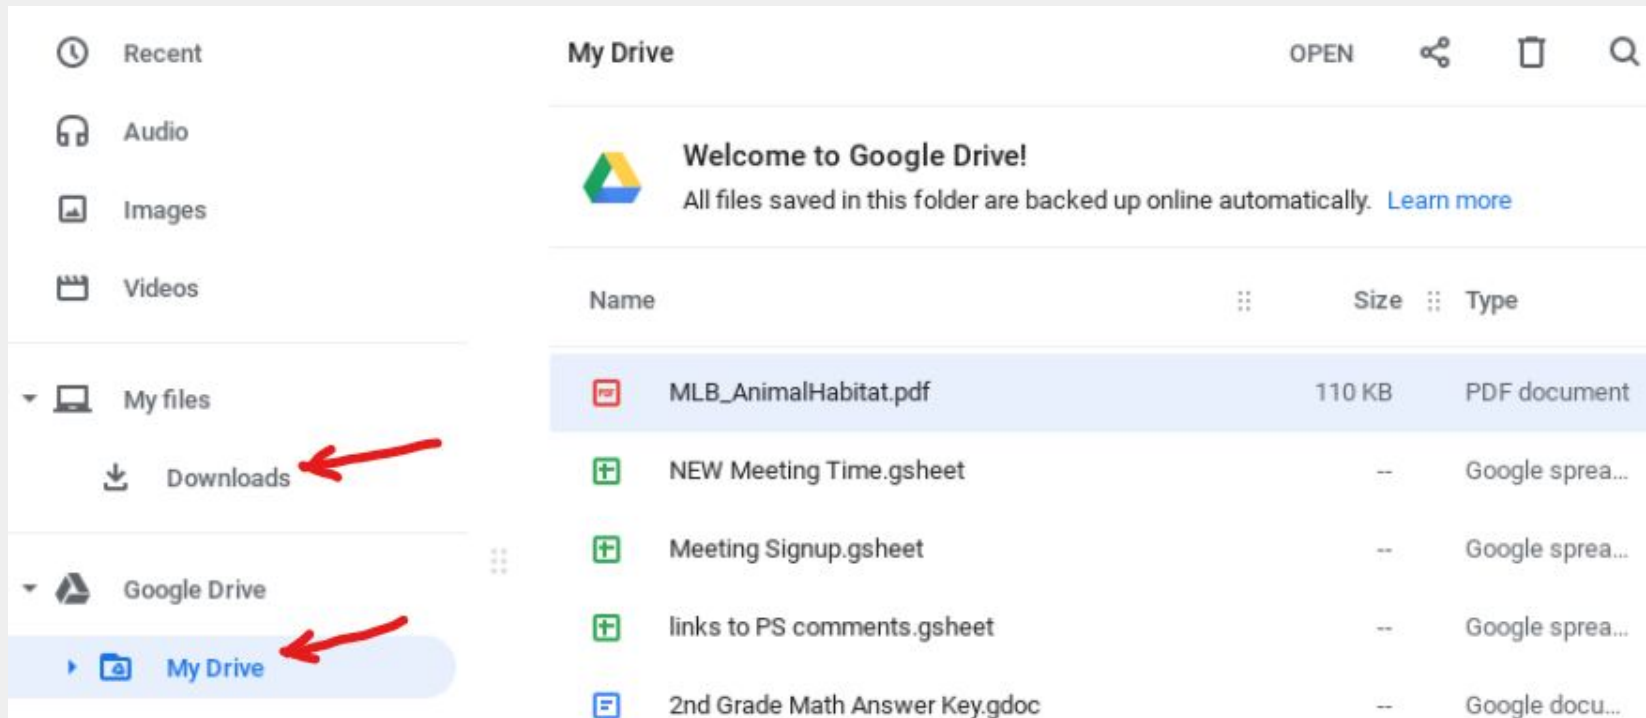

Name: _____

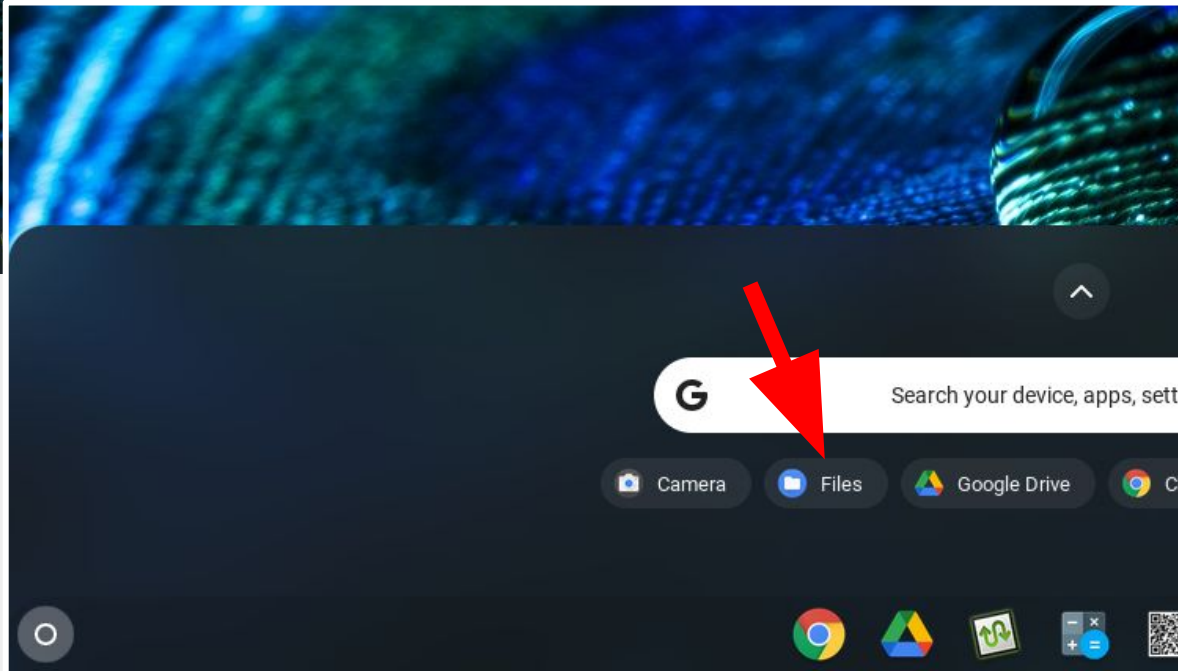

3) ...move your mouse to the top of the window and a black bar will appear that gives you the option to download the blank worksheet. **Do that.**

4) The document will save to your Google account. Pay attention to where it saves - it may be in My Drive or it may be in Downloads*...

*If it saves to Downloads, you can find it again by clicking the circle in the lower left corner of your home screen (the Launcher), then click Files.

5) You can now open the worksheet from your Google Drive (or Downloads) and edit it. When you're done working, click the download icon again, and save the Edited version. You can reopen it again for further editing as long as you always download the edited version each time you're done.

The image shows two overlapping screenshots from a web application. The left screenshot displays a file explorer interface with a sidebar on the left containing 'Audio', 'Images', 'Videos', 'My files', 'Downloads', and 'Google Drive'. The main area shows a table of files:

Name	Size	Type
MLB_AnimalHabitat.pdf	110 KB	PDF docum...
MLB_AnimalHabitat 2.pdf	110 KB	PDF docum...

A red arrow points to the first file, 'MLB_AnimalHabitat.pdf'. Below the table are 'Cancel' and 'Open' buttons.

The right screenshot shows a 'File Upload' form. It includes the text 'Upload a file, or choose a file you've already uploaded.' and a 'File:' field with a 'Choose File' button and the filename 'MLB_AnimalHabitat.pdf'. Below this is a '+ Add Another File' link, a 'Comments...' text area, and 'Cancel' and 'Submit Assignment' buttons. A red arrow points to the 'Submit Assignment' button. At the bottom of the form is the title '4.1 Animal Habitats Assignment'.

8) You'll be rewarded with confetti (and possibly pizza) to celebrate your success!
