Feb 11, 2022

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2021-22 educational progress for Benzie County Central School District and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Amiee Erfourth, Superintendent, for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following [website](#), or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

Student Assessment Data

- Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT
- Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students.

Educator Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Benzie County Central Schools

9300 Homestead Rd. | Benzonia, MI. 49616 | 231-882-9653

Civil Rights Data

- Provides information on school quality, climate and safety

Review the table below listing our schools. For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2018-19. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2017-18. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2016-17. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Betsie Valley Elementary	No Label	BluePrint for Success
Crystal Lake Elementary	No Label	BluePrint for Success
Lake Ann Elementary	No Label	BluePrint for Success
Benzie Middle School/High School	No Label	BluePrint for Success

The Benzie County Central Schools have worked extremely hard to ensure that we are growing student achievement over the long term with focus on our systems to meet academic and non-academic needs of our students while also seeking long term solutions to address other infrastructure needs. Special attention has been focused on Tier 1, curriculum and social emotional supports that all students receive. We look forward to continuing our proud tradition of excellence and growing in our service to children.

Sincerely,

Amiee Erfourth,
Superintendent
