Principal's Corner:

Crystal Lake Elementary Parents,

It is hard to believe that March is already here. It won't be long before the warm weather arrives and Spring begins!

If you are interested in meeting with your child's teacher for a spring parent-teacher conference, please reach out directly to the classroom teacher and then meet with them prior to March 25. The spring conference is a great opportunity to discuss your child's progress in school.

As you are aware, home-school communication is an important factor in your child's success in school. There is a link below that will take you to a survey about the new report cards. Please consider providing us with your feedback so we can serve you better. Visit the benzieschools.net or consider attending a PTC to learn more about the many exciting things planned for the remainder of this school year.

The information contained in this newsletter as well as in our more regular communication, the CLUE, all serve as valuable resources to keep you updated on important information about your child's school experience. However, whenever questions or concerns arise, please reach out to me at 231.882.4641 or graetz@benzieschools.net.

Steve Graetz, Principal

WANTED: T-SHIRTS!

Mrs. Bradford's Life Skills class at the High School is working on a PRIDE Project. Her class is looking at showing Benzie Pride through t-shirts over the years. They plan to create multiple displays throughout the school with collected t-shirts. One major display will be a quilt made from t-shirts which will be displayed in the HS/MS. If they can collect t-shirts from all three elementary buildings, they would love to make one for each building as well. So, if you have any old Benzie OR Crystal Lake t-shirts that you can donate to the project, Mrs. Bradford's class would greatly appreciate it. Please drop them off at any building's office. Thank you!
