This handbook does not create a "contract" with parents, students, or staff, and the administration may make decisions and rule revisions at any time to implement the educational program and to assure the well-being of all students. The administration is responsible for interpreting the rules contained in the handbook. If a situation or circumstance arises that is not specifically covered in this handbook, the administration will make a decision based on applicable school district policies, and state and federal statutes and regulations.

## **STUDENT ACADEMICS**

### **ACADEMIC SUPPORT**

Teachers are here to assist students with academic concerns. Teachers' schedules vary, but they often have flexibility within their schedules to provide one-on-one assistance, either before school, after school, or during their preparatory period, as well as during advisory.

### **SEMINAR**

The purpose of the seminar is to provide a Tiered intervention for all students at Benzie Central Middle/High School. Seminar will be used for tier 1: Homework completion, general academic support, and assessments. tier 2: Structured interventions for struggling students. Incentives such as early lunch and school clubs will be provided during this time for students not needing academic support. Announcements will also be delivered at this time.

### **LIBRARY MEDIA CENTER**

Students and staff are encouraged to use the library and its resources. This quiet student work environment is free of coats, drinks, food and backpacks..

All materials must be checked out of the library prior to leaving. Magazines and reference materials cannot be checked out unless special arrangements are made. Return materials to the designated return area. Materials not returned when due will be assessed a fine of .05 per day. Lost or damaged materials will be subject to a fine equal to the replacement cost.

### **RETENTION**

Students' progress will be monitored closely. Teachers will use progress reports, PowerSchool, phone calls, report cards, and conferences to keep parents informed on how their children are performing in school. The SIT (Student Intervention Team) meets at least quarterly to review students' work and school success. Interventions such as behavior plans, lunch study time, weekly progress reports, summer school tutoring (if available) etc., will be used as tools to help students improve. Retention will be explored in those cases when other intervention strategies aren't successful.

### **TEXTBOOKS, WORKBOOKS, AND SUPPLIES**

The District will provide free instruction in accordance with state law and the State Board of Education's Position Statement on Free Textbooks, Materials, and the Charging of Fees.

The District will not charge a fee for materials necessary to complete required or elective courses. Student and parents/guardians may purchase additional supplies at their own expense. The District may charge a reasonable and refundable deposit to cover damage to textbooks and supplies.

The District may require students and their parents/guardians to reimburse the District for actual costs to repair or replace District property that is lost, damaged stolen, returned in a different condition, or not returned on time. The District may pursue legal remedies to collect unpaid fines.

For additional information, see Policy 5404. [Link to Board Policy 5404](#)

## **ENROLLMENT**

### **ENROLLMENT PROCEDURES**

The school will follow all policies put forth in District Policy 5303. [Link to Board Policy 5303](#)

A student who is eligible to enroll that would like to enroll in the MS/HS may begin the enrollment process with the Enrollment Officer (registrar) in the District's Central Business Office located on the MS/HS campus. 231-882-9653 Ext. 2003

Enrollment paperwork is available both [online](#) as well as in the registrar's office. Link to [enrollment forms](#),

Upon enrolment the District will:

1. Provide the student with a student handbook (upon request) and course selection guide.
2. Issue a locker and class schedule.
3. Provide the student with a tour of the building.
4. The counselor may need to make an appointment to meet with the student and parent/guardian to discuss graduation requirements and class selection.

After all necessary documents are completed and collected, our counselor will schedule your student's courses. Please allow for the enrollment process to take up to 3-5 days, as we want to ensure the best fit for your student.

Non-residents who seek to enroll pursuant to Schools of Choice, must complete the [Schools of Choice Application](#). Completion of the School of Choice Application does not guarantee enrollment in our district.

### **LEGAL GUARDIANSHIP**

It is required that anyone attending our school must live in the Benzie Central School District with his/her parents or legal guardians with proper documentation upon enrolling. Should a student live in the district with a relative or anyone other than his/her parents, legal guardianship must be obtained.

Students residing outside of the Benzie Central School District must obtain permission from the Boards of Education of the respective districts to attend Benzie Schools, such as schools of choice (see Enrollment Procedures).

### **CHANGE OF ADDRESS**

Students will be asked to fill out an information card each school year.

It is important to inform the office if you change your mailing address, email address, or telephone number.

### **WITHDRAWAL FROM SCHOOL**

Pursuant to Policy 5303, the District will disenroll a student upon receipt of either written notice from a parent/guardian of intent to withdraw or a records request from another school. If at the time of receipt of a notice of disenrollment there are pending disciplinary proceedings against the student involving potential suspension or expulsion, the District may elect to complete those proceedings.

Students leaving our school are encouraged to pick up a withdrawal form from the school office, and have this form completed by the student, parent/guardian, principal, and each teacher as the student turns in all books and equipment to them.

Upon withdrawal from school, a student may only reenroll pursuant to Policy 5303. [Link to Board Policy 5303](#)

### **SCHOOL PROPERTY**

Students will be held responsible for the care and return of all texts and workbooks. Any damage or loss of school property will be the responsibility of the student. The District may require students and their parents/guardians to reimburse the District for actual costs to repair and replace District property that is lost, damaged, stolen, returned in a different condition, or not return on time. The District may pursue legal remedies to collect unpaid fines.

All students at Benzie Central are part of our school community and are expected to treat school furniture, walls, ceilings, floors, equipment with respect. Students creating a hazard to the safety of staff or students and/or vandalizing or destroying school property will be disciplined in accordance with the Student Conduct Code.

**Students may drop a class up to and including the second week of school without receiving an "F" for the semester. Classes may be dropped or added at semester.**

## REPORT CARDS AND PROGRESS REPORTS

The District will inform parents/guardians of student progress, grades, and attendance through report cards, progress reports, parent/guardian-teacher conferences and parent/guardian access to the District's student information system. The District will notify a parent/guardian if a student is failing or close to failing a course, either through direct communication or through parent/guardian access to the District's student information system.

Report cards will be sent home with students at the end of each nine-week marking period. A parent and/or student can check academic progress at any time by going to the Benzie Central Schools webpage [www.benzieschools.net](http://www.benzieschools.net) and following the PowerSchool link. Parents and students each have separate logins and password credentials. This information can be requested in the school's main office. Families without internet accessibility should contact the school office with a request for further accommodations.

## ACADEMIC RECOGNITION

According to policy 5412 the Superintendent or designee establishes the class rank, honor roll and other academic recognitions at the beginning of each school year. [Link to Board Policy 5412.](#)

## **HONOR ROLL**

An honor roll for each grade level may be mailed to the news media at the end of each nine-week marking period. The lists that appear in the media are based on the nine-week marking period.

The minimum honor roll average will be 3.0 points. The honor roll is computed on a 4.0 system. The grade point average is computed on a 4.0 system using plus (+) and minus (-) grades. Students with questions concerning this computation should see their counselor for clarification. Please see grading for grade values.

## **TOP TEN**

Ten seniors graduating with the highest GPA averages in their class will be recognized as Top 10. Additional recognition may be provided by the local Rotary Clubs with a sponsored dinner, as well as during the Honors Night and at graduation.

## **VALEDICTORIAN/SALUTATORIAN**

Students receiving the top two cumulative GPA scores will receive the award of valedictorian/salutatorian. In the event there are multiple students with matching highest GPAs, the highest SAT score will be valedictorian, the second-highest score will be the salutatorian. AP Courses are on a 5 point scale.

SAT scores for this award must be reported to the school from the College Board by the last day of semester 1 of the senior year. The awards of valedictorian/salutatorian do not affect a student's class rank. High school transcripts will only report numerical class rank.

## **NATIONAL HONOR SOCIETY (NHS)**

National Honor Society Selection Process:

1. Grade point averages are calculated by the guidance office.
2. Letters of invitation are sent to juniors and seniors with a 3.5 grade point average.
3. Students who have not already done so pick up activity cards from the NHS Advisor.
4. Students have one card for each of the following areas filled out and signed by a responsible adult for each year they have been at Benzie Central High School:
  - a. School Leadership
  - b. School Service
  - c. Community Leadership
  - d. Community Service - Juniors, a total of six cards; seniors, a total of nine cards
5. Students solicit two letters of recommendation as to their character from responsible adults.
6. Cards and letters of recommendation are submitted to the National Honor Society Advisor by the specified deadline.
7. A folder is prepared for the five member Faculty Advisory Council. The members evaluate each candidate's cards. The folder is then returned to the advisor.

## **GUIDANCE DEPARTMENT SERVICES**

### **GUIDANCE AND COUNSELING**

The Counseling Department consists of two guidance counselors who work primarily with students from grades six to twelve. The Counseling Department will provides counseling and guidance services while overseeing transitions from middle school to graduation completion. Services include personal needs or individual counseling, small support groups, classroom guidance, academic mediation, college planning, crisis counseling and referrals, 504 planning, and scheduling. We value, and cannot stress enough, the importance of working together with parents as a team to work toward a successful school experience. Students are encouraged to come in for a visit if there are any academic or personal needs that we can be of assistance with. If you would like to schedule a meeting at any time during the school year, contact either one of the counselors and we can set aside time for a meeting. We can also be reached by phone or email.

We want students and parents to know that we are here to help and assist with any concerns, so feel free to stop in and introduce yourself sometime. We can also be reached by phone or through email on the Benzie School website.

## **CREDIT MAKEUP**

Credit recovery information for seniors is available from the guidance office.

## **DUAL ENROLLMENT**

Dual enrollment is an educational option for any high school student whereby the student is officially enrolled in high school and is simultaneously enrolled in one or more college classes.

In order for students to qualify for this option and have the school pay for a portion of the tuition and fees, they must meet certain requirements. If you have questions regarding this, please see your counselor.

The Postsecondary Enrollment Options Act (PA 164 of 1996) provides for payment from a school district's state aid foundation grant for enrollment of certain eligible high school students in postsecondary courses of education. The bill establishes eligibility criteria for students, institutions, and courses; requires eligible charges (tuition mandatory courses or material fees) to be billed to a school district; establishes enrollment and credit requirements; requires School districts to provide counseling and information to eligible students and their parents; and requires Intermediate School District to report to the Department of Education.

Should a student fail to complete a course and a refund is available and the student drops the course before the college's refund deadline, Benzie Schools shall be reimbursed first. Should a student receive a failing final grade in a course or drop the course after the college's refund deadline, the student will be required to pay back the district the amount of tuition which was paid for the pupils course. In the event reimbursement is not made in a reasonable period of time, a claim may be filed against the student and/or his/her parents in Small Claims Court for collection.

## **EARLY GRADUATION POLICY**

Students wishing to graduate early must follow all steps of the Early Graduation Application, which is available from the high school counselor. All early graduation requests are first reviewed by the high school counselor and principal and then submitted to the Board of Education. The Board of Education will evaluate and determine approval of each request on a case-by-case basis.

## **TESTING OUT POLICY**

Any student requesting credit for course work earned from another institution may be required to follow the Benzie County Central Schools "testing out" policy" pursuant of Board Policy 5409. For more information, see the counselor. Students must submit a written request by May 1<sup>st</sup> of each year. Students will be provided with a syllabus with learning objectives. Exams will be provided to be administered the last week in August before students return to school. Students must score a 78% in order to demonstrate proficiency and be awarded the exam grade earned.

## **ONLINE/VIRTUAL COURSES**

Students under the age of 18 must have signed parent consent to enroll and participate in virtual classes. (\*this criteria must be met per Pupil Accounting Manual) Students will not be scheduled in an online course until the parent consent requirement is satisfied.

1. Credit can be earned via online courses by taking a district-approved online course, earning a D- or higher based on the grading standards used for that course. All online courses must be board-approved and included in course descriptions.
2. It is the student's responsibility to complete all assignments, tests, quizzes, and other requirements on or before the due dates set by the online instructor.
3. Student's attendance will be determined by completion of their coursework, the amount of time spent logged in and working in the course site, as well as weekly two-way contacts/communications with the teacher and/or mentor.

## **PERSONAL CURRICULUMS**

In some cases, it may be appropriate to modify the Michigan Merit Curriculum for a student. Modifications may only be made in accordance with state law. The parent/guardian of a student who has completed grade 9 or a student who has reached age 18 may request a personal curriculum.

## **STUDENTS WITH A DISABILITY**

If the parent or legal guardian, or the pupil himself/herself, if emancipated or eighteen (18) years or older, requests, as part of the student's personal curriculum, a modification of the Michigan Merit Standard requirements that would not otherwise be allowed and demonstrates that the modification is necessary because the student is a child with a disability, the District may allow that additional modification to the extent necessary. The modification must be consistent with both the student's EDP and the student's IEP. As used in the school code "child with a disability" is defined in 20 U.S.C. 1401. If the Superintendent of Public Instruction has reason to believe that a District is allowing modifications inconsistent with the requirements of the State school code, the Superintendent of Public Instruction shall monitor the District to ensure that the District's policies, procedures, and practices are in compliance with the

requirements for additional modifications, under this subdivision. As used in this policy "child with a disability" is defined in 20 U.S.C. 1401.

A student receiving special education services shall have an IEP that identifies the supports, accommodations, and modifications necessary to allow the student to progress in the Michigan Merit Curriculum requirements or a personal curriculum, and meet the requirements for a high school diploma.

### **Eighteen (18) Credit Diploma Requirements**

Beginning in the 2022-2023 academic school year, students eligible for special education services with an IEP that determines the student needs additional time to complete the Michigan Merit Requirements, may earn a diploma with the completion of the MME eighteen (18) required credits. Determinations must be made prior to the student's senior year of high school or extenuating circumstances (death, debilitating accident, and pandemic) as determined by the principal.

### **VOCATIONAL PROGRAM (BENZIE)**

Each year the Benzie County Central School District offers a vocational education program at Benzie County Central High School. These programs are designed to prepare youth for a broad range of employment and training services and are offered under the guidance of certified teachers, counselors, and cooperative education coordinators. The following is a list of programs being offered this year and the criteria for admission.

<u>Program</u>	<u>Criteria for Admission</u>
Natural Resources and Agriscience	None

All vocational education programs follow the district's policies of nondiscrimination on the basis of race, color, national origin, sex, age or disability in all activities and employment. In addition, arrangements can be made to ensure that the lack of English skills is not a barrier to admission or participation.

For general information about these programs, contact:

David Clasen, Principal or Emily Burrus, Counselor  
Benzie Central High School  
9300 Homestead Road  
Benzonia, MI 49616  
231-882-4497

### **VOCATIONAL PROGRAM (CTC)**

Students who are enrolled in the morning CTC program at Northwest Intermediate School District will depart by bus to their classes at 8:35 a.m. each day and return approximately at 12:15 p.m. Afternoon CTC students will depart by bus at 11:20 a.m. and return approximately at 3:40 p.m.

1. ALL STUDENTS ATTENDING THE CTC CLASSES MUST RIDE THE BUS TO AND FROM THE CTC. ANY EXCEPTIONS WILL BE GRANTED BY THE BUILDING ADMINISTRATORS. The CTC buses will not run when school at the CTC is canceled. When Benzie is on a two-hour delay the morning CTC bus will not run, but the afternoon CTC bus will.
2. The Career Tech Center is never on a weather delay. When Traverse City Area Public Schools are closed due to weather, the Career Tech Center is closed; in this case, the CTC students do not need to report at Benzie until their scheduled class times. On early release days (release time 10:40 am) the morning CTC bus runs as normal. Students will not ride their regular route from the school to their home. AM CTC students will arrive at Benzie the normal time and will need to find transportation home.
3. On Benzie Schools' early release days (release time 10:40am), the afternoon CTC bus will not run.
4. CTC students may not attend CTC when they are serving a school suspension (ISS or OSS).
5. CTC students who drive (or ride) to the CTC without permission will be assigned an ISS for the next school day.

## CO-OP PROGRAM

The Co-op program at Benzie Central is under the auspices of the Traverse Bay Intermediate School District's Vocational Program. Co-op is open to senior students who have successfully enrolled in CTC vocational education programs or who are currently enrolled in CTC vocational preparatory classes.

Students are placed on a job related to previous training and career goals and have a binding agreement with an employer in the community. Students receive instruction on the job as well as required academic courses and job-related instruction at school. Work periods and school attendance may be developed around any number of alternative time schedules. School credit is given for work experience and students are paid by the employer. The program and work experience are planned and supervised by the Co-op Coordinator. If a student's work for the day is canceled, he/she should report to the office in the building.

## EARLY MIDDLE COLLEGE (EMC) PROGRAM

Early Middle College (EMC) is a partnership between Benzie Schools and Baker College. For more information please see the course guide and counseling department.

# GENERAL STUDENTS POLICIES

## ACADEMIC DISHONESTY

All students at Benzie Central High School are expected to practice and uphold standards of academic integrity and honesty. Students must assume that individual work on exams, reports, and documentation of sources is expected unless the teacher specifically says that it is not necessary. Academic integrity means representing oneself and one's work honestly. Misrepresentation is cheating as it means a student is claiming credit for another's ideas or work and is, thereby, trying to receive a grade not actually earned. The following are examples of academic dishonesty:

1. Using materials such as technology, books, and/or notes on an exam, test, or quiz when not authorized by the teacher.
2. Copying from another person's work or helping another student copy.
3. Requesting, and/or receiving assistance from another student during an evaluation when express permission to do from the teacher has not been obtained.
4. Claims of personal accomplishment that are invalid or untrue.
5. Plagiarizing from the work of others (using someone else's work or ideas without giving the other person credit).
6. Falsifying data or submitting data not based on one's own work.

# ATTENDANCE

All students are expected to attend school regularly and to be on time for classes in order to benefit from the instructional program and to develop habits of punctuality, self-discipline, and self-responsibility. The Michigan School Code requires student attendance be "continuous and consecutive." Therefore, we believe each day in school is of vital importance to each student; regular attendance is an essential element of the educational process; days missed from school can never be fully recovered; regular and punctual attendance is directly related to one's self-responsibility and self-discipline and is also a stepping-stone to a successful life-style; parents and students must accept the responsibility of maintaining a record of regular and punctual attendance.

## ATTENDANCE POLICY

If a student in grades 9-12 exceeds nine (9) unexcused days of absence in any course in a semester and does not attend a Saturday School makeup they will be required to take the semester exam and demonstrate proficiency (70%) in order to receive credit for that course. The highest grade they can receive will be a "D\*" and will equate to .67 points toward their cumulative GPA.

When a student accumulates ten (10) or more unexcused days of absence in any course in a semester the student and parent/guardian will be notified that the student may have a grade reduction in the class (es) he/she has accumulated this number of absences. The administration will review the student's attendance and create a plan for their success:

Sample plan for student success: Student makes up 3 days with 3 different Saturday Schools. Credit will only be granted upon demonstration of proficiency on the semester final exam (C- or better). Students and parents of those students who must demonstrate proficiency will be notified the week before exams each semester.

1. All unexcused absences count toward the nine-day limit with the following exceptions:
  - a. Long term medical; doctor's written verification stating **Under Doctors Care**. This does not include

- doctor appointments. Must be three or more days in a row.
  - b. Funeral attendance..
  - c. Scheduled court appearance with written verification.
  - d. College visits arranged through the high school office. Three (3) visits total during the junior and senior years. No visits allowed after May 1st.
  - e. School authorized field trips.
  - f. Pandemic related quarantines.
2. 10 Consecutive Unexcused Absences: The student may be dropped from the school enrollment if the student's parent/guardian does not contact the school office.
  3. Pre-Excused Absences:
    - a. All pre-excused absences must be cleared by the principal's office prior to the absence.
    - b. The parents must make a written request.
    - c. Work must be made up and assignments completed to the satisfaction of the teachers involved.
  4. Students may not attend any school activities on the days they are absent or suspended from school.
  5. A student must be in school a full day in order to practice or compete in a school-sponsored activity. Only the school athletic director or school administrator, with advance notice, can waive this rule.

## **ATTENDANCE PROCEDURES**

In the event that a student is not going to be in attendance, parent/guardian shall call the attendance office at (231) 882-4497 on the day(s) an absence occurs. This assists in providing accurate attendance for your child's records.

Automated calls will be placed to the parent/guardian's primary phone each evening for students who have an absence that has not been phoned into the attendance office.

If a parent/guardian is unable to call during regular school hours, they may leave a message for the attendance secretary. An automated service will instruct you to press #1 for the attendance office. A note may also be sent with the student on the day they return. A 72 hour grace period will be allowed for unexcused absences to be excused.

Absences for school-sponsored activities will be recorded and will not count against the student.

## **APPEAL ATTENDANCE POLICY**

After a student has a grade (D\*), reduced due to excessive absences the parent/guardian may ask to appeal the decision before the principal.

## **EXAM POLICY**

A final exam period will be scheduled at the end of each semester for every class (grades 7-12). All classes are expected to have exams during the times scheduled. Students are expected to be in the rooms or teaching areas during the entire time scheduled for the exam with no early dismissals allowed except when approved by administration. High School students who earn an A- (3.667) average in a full-year class during the second semester may be exempt from the exam(s). A one-semester class during the second-semester will require a second-semester exam. Any student who misses an exam will receive an F for the class unless an arrangement is made with the teacher and administrator. The following classes will require exams: All Honors Classes and Pre-Calculus. Exams will account for up to 10% of a middle school semester grade and up to 20% of a high school semester grade.

## **EXTRA HELP FOR STUDENTS**

Teachers are here to assist you as much as possible. When you don't understand something in class, ask for a clarification immediately. If you feel you need considerable help, approach the teacher after class, and arrange for assistance before or after school, or during the teacher's preparation period.

Remember the responsibility is yours. You are the first to know when you are having difficulty in a subject!

## **EXTENDED LEARNING OPPORTUNITIES (ELO)**

ELO interventions are used to help facilitate student achievement by giving students more time to complete their assignment(s) under the guidance of a certified supervisor.

A teacher can assign ELO interventions or students may choose to attend them on their own.

## **SIP (STUDENT INTERVENTION PROGRAM)**

Many students are troubled by problems that interfere not only with their academic performance but also with their emotional, physical, mental, and social development as well. And when students are troubled, so are teachers, counselors, administrators, and other support staff. Help is needed for those struggling students and for members of the educational community affected by their struggles. The Student Intervention Team (SIT), composed of several staff members, meets once each month. The purpose of SIT is to plan instructional strategies for teachers to trial with individual students.

## **MAKE-UP WORK**

A student who is absent or truant from school must be responsible by obtaining any assignments he/she needs to complete. The student has the number of days absent plus one day to turn in his/her work. A teacher may provide more time to make up the work. Parents/guardians or students may contact the student's teachers for assignments via email. It is the responsibility of the student to ensure all work is completed on time for pre-excused school-sponsored activities.

## **INCOMPLETE**

When illness interferes with a student's ability to meet class deadlines, an incomplete (I) may be given rather than a grade. A reasonable amount of time will be given to the student to complete the work and receive a grade.

## **SATURDAY SCHOOL (ATTENDANCE)**

Saturday school is an option for students who have excessive absences and need to make up seat time. Our goal is to keep all students in school. We will schedule Saturday school (8:00 a.m. to 12:00 p.m., at the school or central office) throughout the school year. The students will be supervised by an adult and are expected to quietly study for the four hours. Students who wish to attend a Saturday school to make up absences during the semester may do so (maximum of three) per semester. They must make arrangements with the attendance/discipline secretary before the Saturday school.

## **SATURDAY SCHOOL (DISCIPLINE)**

Saturday schools are utilized for discipline deemed appropriate by administration, and parents will be informed in plenty of time to make the necessary arrangements. It can be an effective deterrent for student misbehavior. If an assigned Saturday school is not fulfilled by the student, progressive consequences including suspensions may result. Saturday school (8am - noon, at the school or central office) is scheduled periodically throughout the school year. The students will be supervised by an adult and expected to quietly study for the four-hour duration. If students who are assigned Saturday school fail to attend, he/she will receive a suspension from school.

## **TRUANCY ([Link to Board Policy 5309](#))**

The Michigan Compulsory Attendance Law (MCL 380.1147, 380.1278a, 380.1278b, 380.1284, 380.1284b, 380.1561, 380.1599, MCL 388.1701) (2010) now states that students must attend school from ages 6 to 18 years, with few exceptions. This does not apply to a child who is at least age 16 and whose parent(s)/guardian(s) have provided the District with written notice that the child has permission to stop attending school (Opt-out provision).

School truancy is a serious concern for our youth in Benzie County. Truancy is not only detrimental to success in education, but is a stepping-stone to delinquent and criminal activity. Reports have concluded that chronic absenteeism is the most powerful predictor of delinquent behavior. Absences in excess of 5 days/semester and 10 tardies without a valid excuse (proper documentation is needed) are considered excessive.

\*\*Federal Policy is directing the Department of Services to require school attendance as a condition of temporary cash assistance eligibility for all children ages 6-18 effective October 1, 2012.

- Age 6-15 – A dependent child age 6 through 15 must attend school full-time. If a dependent child age 6-15 is not attending school full-time, the entire FIP group is not eligible to receive FIP.
- Age 16 or 17 – A dependent child age 16 or 17 who is not attending high school full-time is disqualified from the FIP group in Bridges.
- Minor Parents – A minor parent must attend school full-time. If a minor parent fails to comply with this requirement, the minor parent and the minor parent's children are not eligible for FIP.

The Truancy Program is a collaborative effort between the Benzie County Central Schools, Frankfort-Elberta Schools, Traverse Bay Area Intermediate School District, Benzie County Family Court/19<sup>th</sup> Judicial Court, Benzie County Prosecuting Attorney, 85<sup>th</sup> District Court, Grand Traverse Band Tribal Court, Grand Traverse Band Education Department, Benzie County Sheriff's Office, Grand Traverse Band Tribal Police, Michigan State Police and the Department of Human Services Area.

### **Parent Responsibility**

It is the responsibility of the parent(s)/guardian(s) to see that their child attends school regularly and on time. By law, "every parent, guardian, or other person in this state having control and charge of a child from age six to the child's eighteenth birthday, shall send that child to the public schools during the entire school year." Violation of this law is a misdemeanor punishable by up to 90 days in jail and/or a fine. Exceptions to this law exist, including attendance at approved nonpublic schools and homeschooling. MCL 380.1599

### **School Responsibility**

Schools must inform the parent(s)/guardian(s) when their child is not in school. Comprehensive attendance procedures should be adopted by public schools that are understandable and reasonable. The law requires that the

school meet with the parent(s)/guardian(s), with the child to address educational problems including truancy. It is important that the school address the issue of truancy as quickly as possible. Schools must accurately document every absence and respond appropriately and immediately in offering support to students. An effort should be made to resolve issues contributing to the student's attendance problems.

**Court Responsibility:**

The Benzie County Family Court/19<sup>th</sup> Judicial Court has jurisdiction over youth under age 17 who “willfully and repeatedly absents himself or herself from school or other learning programs intended to meet the child’s educational needs...” MCL 712A.2(a)(4). The Principal/ School Attendance Personnel, school counselor/youth Intervention specialist will hold a Truancy Action Meeting with the parent(s) and child (the child attends the meeting only in middle and high school truancy cases) to resolve truancy issues. If after the meeting, the child’s absences continue, the Principal/SAP in conjunction with law enforcement may file a Truancy petition (in middle school and high school cases) with the Benzie County Prosecutor’s office.

### **DRIVER EDUCATION**

Driver education is now offered by a private company as a service to Benzie Central High School students. Moss's Road Rules (231-633-6613) offers classes each year for all students who are 14 years, 8 months of age on or before each class session. There will be one class offered in the fall, winter, spring, and summer. There will be a charge of \$250.00 per student for segment one and \$60.00 per student for segment 2. The fee must be paid before the start of the class (at sign up time). This can be done on the first day of class (payments will not be accepted by the office). Cost and class sessions are subject to change, please see the office for updated information.

All classes will be held before the school day, the instructor will arrange driving. School enrollment is not required for the program. For more information please call Mr. Moss at the number above.

Attending driver education classes in-person is not permissible for students currently serving suspensions. Make-up days may be scheduled.

### **HEALTH/MEDICATION INFORMATION**

Each year, please make sure to make the school aware of any medical changes. Whenever possible, parents/guardians should arrange student medication schedules to eliminate the need for administration of medication at school. When a student requires prescription or over-the-counter medication at school, the following procedures apply:

1. The student's parent/guardian must annually submit a written request and consent form as required by the District.
2. A building principal or designee must request that the parent/guardian supply medications in the exact dosage required whenever feasible.
3. The building principal or designee will notify the student's parent/guardian of any observed adverse reaction to medication.
4. All medications must be in the original container.

For specific requirements regarding District-administered and Student-administered medication, including asthma inhalers and epinephrine auto-injectors/inhalers, please see Policy 5703. [Link to Board Policy 5703](#)

### **HEAD LICE**

As soon as cases are reported, the classrooms of those students will be checked. A student with nits within ¼ inch of the scalp or live lice may remain at school until the end of the school day. The student will be restricted from activities that involve close head-to-head contact or sharing of personal items. The District will notify the student's parent/guardian and provide educational materials on head lice prevention and treatment.

The student will be readmitted to school after treatment so long as the parent/guardian consents to a head examination and the examining District official does not find live lice on the student. If the District official finds nits within ¼ inch of the student's scalp, the student may return to class, but the District must inform the student's parent/guardian about the need to remove the nits.

### **LOCKER POLICY**

Lockers are District property and may be made available for student use. Lockers are assigned to students on a temporary basis, and District administration may revoke a student's locker assignment at any time. The District retains ownership of lockers notwithstanding student use.

Students have no expectation of privacy in their lockers. The building principal or designee may inspect lockers without any particularized suspicion or reasonable cause and without advance notice. Upon the request of the building principal or designee, law enforcement may assist with searching lockers. During a locker search, student privacy rights will be respected for any items that are not illegal or against Board Policy 5102. [Link to Board Policy 5102](#)

The following forms of payment can be accepted in the cafeteria at the register: Cash, Check or Money Order. Parents may also pay online at the Benzie Central website under the Food Service Tab. The link "[Send Money to School](#)" is available to handle debit or credit card payments (a small convenience fee will be charged for this service at the time of use). Parents must have their students' PowerSchool ID available when setting up the online payment account.

Students have a large selection of entrees to choose from along with ala carte drinks and snacks. Students are strongly encouraged to check their account balances on a regular basis to insure they have sufficient funds for purchases.

Free/Reduced lunch applications are available in the MS/HS office and a printable version is available online. We also offer an online application found on the Benzie Central website under the Food Service Dept. Applications MUST be filled out at the beginning of each new school year (one per household) unless you have received a letter from the Food Service Director stating that you are exempt.

## STUDENT CODE OF CONDUCT

Benzie Central Schools expects students to conduct themselves as good citizens of the school. This includes all school-sponsored functions at Benzie Central or at other schools with whom we are affiliated. Teachers are responsible for establishing general rules of conduct in their classrooms. Violations of these classroom rules are handled at the classroom level on a reasonable basis.

When discipline is required, Benzie Central Schools provides a fair and consistent set of rules. Disciplinary action may be taken when a student engages in behavior inconsistent with this handbook, District Policy, or state or federal law or regulation. Disciplinary action may include detention; in-school suspensions; suspension; forfeiture of rights to participate in- or attend- extracurricular activities as well as end-of-the-year activities, loss of driving privileges, the revocation of a work permit, and exclusion from ceremonies including but not limited to graduation.

All codes of conduct, rules and regulations can be condensed to one basic principle: follow common sense rules that govern our everyday world.

Any student earning credit at Benzie Central High School will be under the jurisdiction of our policies even if at a different site.

The following guidelines help provide a safe and secure culture where everyone is respected and responsible:

For the first hour only, when a student checks in and receives a pass from the office, attendance will be marked as an excused tardy. If the student does not check in attendance will automatically be unexcused

When a student accumulates 4 tardies (combination of all classes) he/she will receive the following: Each additional tardy will result in:

Furthermore, state law prohibits use of tobacco on school property. Therefore, it is the policy of this school district that the use or possession of tobacco by any Benzie Central student is NOT permitted anywhere in the buildings, on school grounds, at any school-sponsored event, school buses, bus stops, or any school-sponsored transportation. ## STUDENT CODE OF CONDUCT

### CONSEQUENCES FOR VIOLATIONS:

It should be recognized that not every type of misconduct which may result in suspension or expulsion can be specifically described in a document such as this. In instances of student misbehavior which are subject to discipline under the School Code and which are not specifically listed in this Student Code, appropriate discipline may be imposed at the discretion of the building administration or the Board of Education.

The following table is meant to be a guide and is subject to the discretion of Administration and the Board of Education. Administration will, as required or permitted by state law, always consider the use of restorative practices as an alternative to, or in addition to, suspension or expulsion. Nothing in the following table limits the District's ability to impose more or less severe disciplinary consequences depending on the situation's unique circumstances and the mandatory 7 factors. Nothing in this handbook limits the District's authority to discipline a student for conduct that is inappropriate in school, but that is not specifically outlined in this table. Depending on the circumstances of a particular situation, separate athletic or extracurricular sanctions may be imposed, in accordance with the applicable handbook or rules.

The following types of conduct are to be considered as serious violations and will not be tolerated in our school. The minimum penalties are listed with the violations.

\*Any violation of state or federal criminal statute will be referred to the Sheriff's Department.

\*\*Recurring incidents for violations could result in an incorrigibility referral to the Sheriff's Department.

1. Students must bring study materials to detention. An unprepared student will be assigned a different date/time.
2. Students must report on time. A tardy student may be assigned a different date/time.
3. Students must fully cooperate with the supervisor. A non-compliant student will be reassigned to another date/time and may also be assigned additional discipline.
4. No talking and no studying together will be allowed.
5. Students must remain in designated area.
6. No food or drink permitted with the exception of breaks.
7. Sleeping is not allowed.

8. When a student is assigned ASD, Saturday School, or Suspension, the parent or guardian will be notified by a phone call from the school. If a parent or guardian cannot be reached by phone, the student is still responsible for following through with the consequences assigned.
9. Students who do not attend their assigned ASD, ISS, or Saturday School may face suspension.
10. Transportation will not be provided.
11. Students will not have access to electronic devices.

### **BEHAVIOR PROCESSING ROOM**

Behavior Processing Room is a school discipline process that teaches students to take responsibility for their behavior. Students learn to make decisions for themselves, to respect the rights of others, to make effective plans, and to build self-confidence. The basic premise is that teachers have a right to teach, and students have the right to learn in a safe environment. Special Education teachers place students in Behavior Processing Room in accordance with IEPs and behavior plans.

### **IN-SCHOOL DETENTION**

ISD is a school discipline process in which a student's behavior prevents his/her learning, the classroom teacher's ability to teach, and other student's ability to learn. The student will leave the classroom and report to ISD for the remainder of the class period. The student will process his/her behavior with the behavior specialist in writing and develop a plan for changed behavior and any additional steps necessary to re-enter the classroom environment the following school day.

### **SNAP SUSPENSION**

A teacher may suspend a student from any class, subject, or activity for up to one full school day if the teacher has good reason to believe that the student:

1. intentionally disrupted the class, subject, or activity;
2. jeopardized the health or safety of any of the other participants in the class, subject, or activity; or
3. was insubordinate during the class, subject, or activity.

Any teacher who suspends a student from a class, subject, or activity must immediately report the suspension and its reason to the building principal or designee. If a student is suspended from a class, subject, or activity, but will otherwise remain at school, the building principal or designee must ensure that the student is appropriately supervised during the suspension and, if the student is a student with a disability, that all procedures applicable to students with disabilities are followed.

Any teacher who suspends a student from a class, subject, or activity must, as soon as possible following the suspension, request that the student's parent/guardian attend a parent-/guardian-teacher conference to discuss the suspension. The building principal or designee must attend the conference if either the teacher or the parent/guardian requests the building principal's attendance. The building principal or designee must make reasonable efforts to invite a school counselor, school psychologist, or school social worker to attend the conference.

### **SUSPENSION**

Suspension is defined as disciplinary removal from school for less than 60 school days. While suspended, the student is not allowed on school premises during the school day, and may not attend or participate in any school activities such as athletic events, music concerts, plays, dances, etc.

The Board delegates to all building administrators the authority to suspend a student for up to 10 school days consistent with the student code of conduct.

The Board delegates to the Superintendent the authority to suspend a student for less than 60 school days consistent with the student code of conduct.

Due process will be provided consistent with Policy 5206A. [Link to Board Policy 5206A.](#)

### **IN-SCHOOL SUSPENSION (ISS)**

ISS will be used at the administration's discretion when it would be to the student's advantage and they are not a harm to other students or themselves or a disruption to the learning process.

### **AFTER-SCHOOL DETENTION (ASD) (3:00-7:00)**

Students may be assigned an after-school detention (ASD) by an administrator or a designated member of the faculty. This is for those students with undesirable patterns of behavior. Each student is to have sufficient materials and books to study for the time assigned to detention and must cooperate with the regulations of the detention supervisor. Any student who does not abide by the regulations of the detention period may be assigned up to two (2)

four-hour ASDs. If students are absent on a day they were required to attend ASD, the student will be expected to attend ASD upon the student's return to school. When a student is assigned an ASD, the parent or guardian will be notified by a phone call from the school. If a parent or guardian cannot be reached by phone, other means of communication will be attempted. A voice or electronic message will be left if the parent/guardian has these services available and proper contact information is made available to the school. Students assigned an ASD must serve the ASD within one week of the ASD was assigned. A student that does not attend an assigned ASD within a week of it being issued may be assigned a Saturday School or other discipline up to a suspension from school.

## **EXPULSION**

Expulsion is defined as a disciplinary removal from school for 60 or more days. The Board may suspend or expel a student for an offense consistent with the student code of conduct. Due process will be provided consistent with Policy 5206A. [Link to Board Policy 5206A.](#)

## **DUE PROCESS FOR SUSPENSIONS AND EXPULSIONS**

The District will provide students due process to the extent required by state and federal law before a student is suspended or expelled. All District administrators must respect student due process rights. If a District administrator determines that an emergency exists that requires the immediate removal of a student from school, the administrator may contact the student's parent/guardian or local law enforcement or take other measures to have the student safely removed from school. The administrator must, as soon as practicable thereafter, follow the procedures outlined in Policy 5206A.

The District will follow all applicable state and federal laws related to disciplining students with disabilities. Students with disabilities are entitled to all due process protections afforded to other students pursuant to Policy 5206A. For students with disabilities, the additional procedures and protections in Policy 5206B also apply.

### **Building Administrator – 10 or Fewer School Days**

Before suspending a student for 10 or fewer school days, an administrator must: (1) provide the student verbal notice of the offense the student is suspected to have committed, and (2) provide the student an informal opportunity to explain what happened. Except in emergency circumstances, an administrator will not suspend the student unless, after providing the student notice and an opportunity to explain, the administrator is reasonably certain that the student committed a violation of the student code of conduct and that suspension is the appropriate consequence.

### **Superintendent or Designee – 59 or Fewer School Days**

Before suspending a student for more than 10 school days but less than 60 school days, the Superintendent or designee must provide the parent/guardian or student with: (1) written notice of the offense the student is suspected to have committed; (2) an explanation of the evidence relied upon by the District in arriving at the conclusion that disciplinary action may be warranted; and (3) an opportunity for a hearing at which the student may present evidence and witnesses to show that the student did not commit the alleged offense or that suspension is not an appropriate consequence. The Superintendent or designee will provide the parent/guardian or student at least 3 calendar days' notice before the hearing. The parent/guardian and student may be represented, at their cost, by an attorney or another adult advocate at the hearing. The Superintendent or designee will not suspend the student unless, following the hearing, he or she is convinced by a preponderance of the evidence that the student committed a violation of the student code of conduct and that suspension is the appropriate consequence.

### **Board Suspension or Expulsion**

Before the Board suspends or expels a student, the Superintendent or designee must provide the parent/guardian or student with: (1) written notice of the offense the student is suspected to have committed; (2) an explanation of the evidence relied upon by the District in arriving at the conclusion that disciplinary action may be warranted; and (3) an opportunity for a Board hearing at which the student may present evidence and witnesses to show that the student did not commit the suspected offense or that suspension or expulsion is not an appropriate consequence. The Superintendent or designee will provide the parent/guardian or student at least 3 calendar days' notice before the hearing. The parent/guardian and student may be represented, at their cost, by an attorney or another adult advocate at the hearing. The Board will not suspend or expel the student unless, following the hearing, a majority of the Board finds by a preponderance of the evidence that the student committed misconduct that should result in suspension or expulsion under either the student code of conduct or this Policy and that suspension or expulsion is the appropriate consequence. The Board's decision is final.

## **STUDENT SEARCHES**

Random searches of school lockers and their contents have a positive impact on deterring violations of school rules and regulations, ensure proper maintenance of school property, and provide greater safety and security for pupils and personnel. Accordingly, the board authorizes the public school principal or his/her designee to search lockers and locker contents at any time, without notice, and without parental/guardianship or pupil consent.

The public school principal or his/her designee shall not be obligated, but may request the assistance of a law enforcement officer in conducting a locker search. The public school principal or his/her designee shall supervise the search. In the course of a locker search, the public school principal or his/her designee shall respect the privacy rights of the pupil regarding any items discovered that are not illegal or against school policy and rules.

## STUDENT SEARCH & SEIZURE

School officials may search a student and the student's belongings if they have reasonable suspicion that the search will reveal contraband or evidence of a violation of law, Board Policy, or rule. In rare cases, school officials may conduct a search without reasonable suspicion if there is an imminent threat of physical harm or death.

A reasonable suspicion search must be justified at its inception and reasonable in its scope. A search is justified at its inception when school officials have reasonable grounds to suspect that the search will uncover contraband or evidence of a violation of law, Policy, or rule. A search is reasonable in scope when the measures used are reasonably related to the search objectives and are not excessively intrusive in light of the student's age and sex and the nature of the infraction.

School officials are not required to have reasonable suspicion to search lockers or other District property. See Policy 5102. [Link to Board Policy 5102.](#)

The District may use detection dogs to search for contraband on District property consistent with Policy 3107. [Link to Board Policy 3107.](#)

A breath alcohol test is a search and may be administered upon reasonable suspicion that a student has consumed or is under the influence of alcohol. For voluntary, non curricular school activities (e.g., school dances), suspicionless breath alcohol tests may be administered for student health and safety purposes if students and their parents/guardians have been provided advance written notice. Strip searches are prohibited.

The building principal or designee will turn over to law enforcement illegal items and dangerous weapons, as defined in Policy 5206, and may store in a secure place any other contraband or evidence seized from a search until a disciplinary hearing. This Policy does not apply to any outside entity that may require drug or breath alcohol testing as a condition of participation. See Policy 5105.

### **District Technology and Acceptable Use**

Benzie Central High School encourages and strongly promotes the use of technology in education. To ensure that students, staff, parents and other community members can take full advantage of the technologies available, all use of technology must have proper authorization and adherence to the Districts Acceptable Use Agreement. [Link to Board Policy 3116.](#)

### **Acceptable Use Violations**

1. Any violations of state or federal criminal statute will be referred to the Sheriff's Department. Recurring incidents for violations could result with an incorrigibility referral to the Sheriff's Department.
2. Students may be allowed to use computers only when a staff member is present.
3. The consequences of failing to adhere to the Technology Code of Conduct are defined in the student handbook. The standard consequences for vandalism, insubordination, and other misbehavior apply.

## CONDUCT GUIDELINES | PRIDE

### **ASSEMBLIES**

Students who exhibit unacceptable assembly behavior will be removed from the assembly. Repeated excessive assembly misbehavior could result in removal from all school assemblies, for a period of time of up to 18 weeks: Assembly Detention. Assembly Detention prevents a student from attending school-sponsored activities, which includes but is not limited to spectating at sporting events, attending Homecoming, prom, and graduation ceremonies.

## **BUILDING SUPERVISION**

Building supervision begins at 7:20 and ends at 2:50. Students involved in extracurricular activities such as sports, ASD, clubs, etc. are required to have adult school staff supervision.

School officials will communicate with parents/guardians via phone or letter if a student is repeatedly loitering in the building after school hours.

## **BUS POLICY**

The following discipline policy has been put in place for students who ride Benzie County Central Schools' buses. The policy has been put in effect to make bus travel to and from school as safe as possible for all students; we have streamlined our bus rules to make it easier for our students to understand and follow. We expect our students to follow these rules while traveling on the bus.

1. Students will remain seated and quiet.
2. Please don't litter. Always use the trash container.
3. Students will not create any unsafe conditions and will aid the driver in making each trip safe.
4. All school rules, Board Policies, and Student Code of Conduct apply while riding the bus and at bus stops.
5. Please obey the driver at all times.

Students who break bus rules may lose bus privileges. The following steps will be followed on each bus:

1. The driver will give three warnings. The driver will document problems and solutions tried. After two warnings, parents will be notified.
2. If problems continue, students will receive a one (1) day bus suspension.
3. If problems continue, a three (3) to five (5) day bus suspension will be issued.
4. If problems continue, a ten (10) day bus suspension will be issued. Parents, students involved, building administrator, bus driver, and bus driver supervisor will meet.
5. If problems continue, suspension of bus privileges for the remainder of the year or ninety (90) days.

Riding the bus is a privilege. Students who make riding the bus unsafe for others will not be allowed to ride the bus. All bus passes will be issued in the office. NO notes will be accepted by bus drivers. This must be done before attempting to board the bus. Bus drivers will NOT allow students on without an office pass. Students will be allowed to get off at a different stop for emergencies only. Parents will be required to contact the transportation supervisor for alternate arrangements.

\*Our buses are equipped with boxes for video cameras.

around doorways, water fountains, lockers, or restrooms. Maintain as much space as possible between yourself and others while in the hallway. Masks are required at all times in the hallway.

Students are not to be in the corridors during the time that classes are in session unless they possess a pass with a signature from the office or a member of the teaching staff.

## **PARKING LOT**

Student driving and parking on District property is a privilege, not a right, that may be revoked at any time.

We recognize the need for some licensed senior high students to drive to and from school, morning and night, and still a further need for some to drive during the school day; and we believe that the students should have this privilege if the need exists. The purpose of school traffic regulations is to eliminate needless and reckless driving.

At the beginning of each school year, rules and regulations will be issued to those students wanting to drive. Students will be granted permission to drive only upon the completion of a registration form which may be obtained in the office.

1. All motor vehicles driven to school regularly or occasionally must be registered and have on display a parking permit hanging from the mirror.
2. Such permits may be obtained only after the completion of the registration form and payment. If a permit is lost, a \$10.00 replacement fee will be charged.
3. Failure to purchase a permit and continue to drive on campus will lead to loss of driving privileges for the remainder of the school year.
4. All motor vehicles driven to school by students are to be parked in the west parking lot. The first line nearest the building on the west side is reserved for teachers' parking, beginning with the double doors going from the gym and continuing north.
5. Vehicles are not to be driven during the school day.
6. Students may not loiter in the parking lot or in parked cars at any time. Students violating this regulation may be suspended and/or loss of driving privileges.
7. All vehicles must be locked.
8. Exhibition driving will not be tolerated. Any confirmed report of reckless driving in school will result in loss of driving privileges and a report of the incident will be filed with the Benzie County Sheriff's Department.
9. Any report from a bus driver regarding pulling in front of a bus or driving carelessly near a bus at any location in our community will result in loss of driving privileges and a report will be filed with the Benzie County Sheriff's Department.
10. Unauthorized students who drive (or are passengers) to the Career Tech Center will receive for their first offense a Saturday School or detention. A second offense may result in the driver losing all driving privileges for the remainder of the school year.
11. If you have to visit your car during school hours, first report to the main office to receive a pass.
12. Unidentifiable vehicles and vehicles not having permission to park on school property may be towed at the owner's expense.
13. The speed limit for the parking lot is 15 miles per hour.
14. Driving privileges can be revoked at the discretion of school administration.

## **SPORTING EVENTS**

Students who come to the school on the nights of athletic events are here for the primary purpose of watching the contests and supporting their teams. To protect the rights of these students, the following regulations have been set forth:

1. Students who are loitering will be asked to leave school property.
2. Once a student has left the building or field, he/she will be unable to return unless he/she has special permission.
3. Students are asked not to get up and leave the gym or field while the game is in progress (unless there is an emergency). Leave only during the half and between games.
4. Students are to conduct themselves properly as spectators and are to show good sportsmanship. Throwing things, pushing, displaying inappropriate affection, and making unsportsmanlike remarks to players or referees are not conducive to being a good spectator and may result in your removal from the building.
5. The doorways into the gym must remain open. Please do not stand in the doorways.

## **STUDENT SIGN IN/OUT**

All students must sign in at the office if they arrive late to school or are returning from an appointment. This must be done in order to keep our records accurate.

All students must sign out in the office before leaving school during school hours. Students must have their parent or guardian call the school office, send email, or a signed note to excuse the absence. Students who fail to sign out properly shall come under the truancy section of the student code. **BENZIE CENTRAL IS A CLOSED CAMPUS. THE PARKING LOT IS OFF LIMITS FOR ALL STUDENTS DURING THE SCHOOL HOURS AND AT LUNCHTIME.** Only students authorized by the school administration will be allowed to go to the parking lot.

3. The student will be allowed to choose from an assortment of clothes found in the in-house clothing "closet".
4. If uncooperative, the student may be assigned discipline including either an ISS or OSS placement.
5. If the parent or guardian gives the office verbal permission to allow a student to go home and change clothes, the student will be allowed to leave but will receive an absence for the time that they are away from school. Failure to comply will be considered insubordination.

## HARASSMENT PROTOCOLS AND PROCEDURES

The District prohibits unlawful discrimination. For purposes of this Policy, “unlawful discrimination” includes unlawful harassment and retaliation, unless specifically stated otherwise. The District will investigate all allegations of unlawful discrimination and will take appropriate action, including discipline, against any person who, following an investigation, is determined to have engaged in unlawful discrimination. This Policy applies to student-to-student conduct and staff-to-student conduct. See Policy 4102 for District personnel harassment. [Link Board Policy 4102.](#)

Complaints alleging Title IX sexual harassment (staff-to-staff, staff-to-student, student-to-student, or student-to-staff) are governed by Policy 3118. [Link Board Policy 3118.](#)

This Policy applies to all conduct occurring on school property, including in a classroom, elsewhere on school premises, on a school bus or other school related vehicle, at a school-sponsored activity or event whether or not it is held on school premises, or conduct with a direct nexus to school. The District will comply with all applicable state and federal laws related to unlawful discrimination.

### A. Student Handbooks

The Superintendent or designee will include in student handbooks a statement explaining the District’s policy against unlawful discrimination, including unlawful harassment and retaliation. This statement must include an explanation of types of unlawful discrimination, examples of harassment, reporting requirements, and consequences as described in this Policy.

### B. Types of Unlawful Harassment

“Unlawful harassment” is verbal, written, or physical conduct that denigrates or shows hostility or aversion toward a student because of the student’s race, color, religion, sex (including pregnancy, gender identity, or sexual orientation), national origin, disability, or any other legally protected class that has the purpose or effect of:

1. creating an intimidating, hostile, or offensive environment; or
2. unreasonably interfering with the student’s ability to benefit from the District’s educational programs or activities.

Race, color, and national origin harassment is prohibited by Title VI of the Civil Rights Act of 1964 and the Michigan Elliott-Larsen Civil Rights Act. Race, color, and national origin harassment is unwelcome conduct based on a student’s actual or perceived race, color, or national origin. Race, color, and national origin harassment can take many forms, including slurs, taunts, stereotypes, or name-calling, as well as racially motivated physical threats, attacks, or other hateful conduct. Under this Policy, harassment based on ethnicity, ancestry, or perceived ancestral, ethnic, or religious characteristics, will be considered race, color, and national origin harassment.

Disability harassment is prohibited by the Americans with Disabilities Act, Section 504 of the Rehabilitation Act of 1973, and the Michigan Persons with Disabilities Civil Rights Act. Disability harassment is unwelcome conduct based on a student’s actual or perceived disability. Disability harassment can take many forms, including slurs, taunts, stereotypes, or name-calling, as well as disability motivated physical threats, attacks, or other hateful conduct.

Sex-based harassment is prohibited by Title IX of the Education Amendments of 1972 and the Michigan Elliott-Larsen Civil Rights Act. For the definition of sexual harassment under Title IX, see Policy 3118. Sex-based harassment prohibited by this Policy includes harassment based on gender identity or sexual orientation. This Policy also prohibits harassment of a sexual nature that does not rise to the level of Title IX sexual harassment, as defined in Policy 3118.

### C. Reporting Requirements

District personnel must immediately report incidents of alleged unlawful discrimination, including incidents that District personnel witness or about which they receive reports or information, regardless of whether the incidents are verbal, visual, or physical, and whether the incidents also constitute harassment, bullying, or hazing.

District personnel who witness an act of unlawful discrimination must intervene immediately, unless circumstances would make intervention dangerous. A person who is unable to intervene should promptly attempt to find another person who is able to intervene, contact a building administrator, or contact law enforcement, as the situation requires.

Any student who witnesses an act of unlawful discrimination is encouraged to report it to District

personnel.

No student will be retaliated against based on any report of suspected unlawful discrimination. A student may also anonymously report an incident of unlawful discrimination. The District will investigate anonymous reports pursuant to its investigation procedures described below. Minor students do not need parent/guardian permission to file complaints or participate in the formal complaint resolution process described below.

**F. Investigation Timelines**

The District will initiate an investigation within 2 school days after receiving a complaint of unlawful discrimination. In most cases, an investigation will be completed within 20 school days.

The District will attempt to comply with all law enforcement requests for cooperation. In some circumstances, compliance with law enforcement requests may require the District to briefly suspend its investigation. The District will promptly resume its investigation as soon as it is notified by the law enforcement agency that the law enforcement agency has completed its evidence gathering process. This delay should not exceed 10 school days. If the District's investigation is suspended, interim steps will be taken to provide for the safety of the alleged victim or victims and the school community and to avoid potential retaliation. Those steps may include suspending the alleged perpetrator from work or school until the investigation is complete. If the law enforcement agency does not notify the District within 10 school days that the investigation may resume, the District will notify the law enforcement agency that the District intends to promptly resume its investigation.

Within 5 school days after completing the investigation, the District will separately notify, in writing, the alleged victim and the alleged perpetrator of the investigation's outcome. Any disciplinary action against the alleged perpetrator will be implemented in accordance with the due process standards contained within Policy 5206. [Link to Board Policy 5206](#)

An alleged victim of unlawful discrimination may present new evidence at any time.

An alleged perpetrator's status as a student with a disability will not affect the District's obligation to protect the alleged victim during and after an investigation.

#### **G. Investigation Procedures**

The District will use the following procedures when initiating and conducting investigations of unlawful discrimination:

1. Any written or verbal report of unlawful discrimination or harassment, including anonymous written or verbal reports, will be promptly addressed and investigated.
2. The District will assure the alleged victim that:
  - a. the complaint will be fully investigated;
  - b. the alleged victim's identity will be kept confidential during the investigation, to the extent possible;
  - c. the alleged victim will not be retaliated against by the District; and
  - d. the District will enforce its non-retaliation policy.
3. The District will take preventative measures to ensure that others, including the alleged perpetrator, do not retaliate against the alleged victim during or after the investigation.
4. District will notify the alleged victim that the victim will not be required to confront the alleged perpetrator during the investigation, that steps will be taken to immediately ensure that the alleged conduct does not continue, and that retaliation is prohibited.
5. The District will interview any witnesses identified by the alleged victim and the alleged perpetrator. All witnesses will be assured that their identities will be kept confidential during the investigation, to the extent both possible and practical, and that retaliation is prohibited.
6. The District will implement individualized interim measures during the investigation to ensure that any unlawful conduct does not continue. Interim measures may include, but are not limited to, temporary schedule changes, no-contact directives, short-term suspensions, changes to class schedules or lockers, and student escorts.
7. The District will take action to end unlawful discrimination, including monitoring that the conduct does not reoccur and modifying responses if the unlawful discrimination does reoccur.
8. If the alleged victim is a minor student, the District will notify the student's parent/guardian of the complaint. The parent/guardian will be informed of the investigation's status, as appropriate.
9. Unless otherwise required by law, if an alleged victim has been discriminated against or harassed based on sexual orientation, gender identity, or non-compliance with gender stereotypes, the District will first consult with the student to determine an appropriate method of notifying the student's parent/guardian of the complaint.
10. All documentation, including witness statements, must be kept with the complaint and reports.
11. The District will use the preponderance of the evidence standard as the appropriate standard to substantiate allegations of unlawful discrimination.
12. If the District determines that a school official's impartiality has been compromised during the investigation process, that school official will be removed from the investigation and have no further involvement.
13. If an alleged victim requests complete confidentiality or asks that the complaint not be pursued, the District will take all reasonable steps to investigate and respond to the complaint consistent with the alleged victim's request. If an alleged victim insists that the victim's name or other identifying information not be disclosed to the alleged perpetrator, the appropriate coordinator or designee will notify the alleged victim that the District's ability to investigate and respond to the complaint may be limited.

#### **H. Remedies**

The District will take appropriate and effective measures to promptly remedy effects of unlawful discrimination. Appropriate remedies will be based on the circumstances and may include, but are not limited to:

1. providing an escort to ensure that the victim can safely attend classes and school activities;
2. providing the victim with school-based counseling services;
3. providing the victim with academic support services, such as tutoring;
4. rearranging course schedules, to the extent practicable, to minimize contact between the victim and

- perpetrator;
- 5. moving the victim's or the perpetrator's locker;
- 6. issuing a "no contact" directive to the perpetrator; or
- 7. imposing discipline, up to and including suspension or expulsion, consistent with Policy 5206 and the student code of conduct.

Whenever possible, the District will strive to ensure that the victim's academic and other school-related schedules remain intact.

These remedies may also be available to any other student who is or was affected by unlawful discrimination.

The applicable coordinator should also consider whether broader remedies are required, which may include, but are not limited to:

- 1. assemblies reminding students and staff of their obligations under this Policy and applicable handbooks;
- 2. additional staff training;
- 3. a climate survey; or
- 4. letters to students, staff, and parents/guardians reminding them of their obligations under this Policy and applicable handbooks.

If the alleged victim is a student with a disability, the Superintendent or designee will convene an IEP or Section 504 Team meeting to determine if additional or different programs, services, accommodations, or supports are required to ensure that the alleged victim continues to receive a free appropriate public education.

#### **I. Investigation Report**

After the investigation concludes, the appropriate coordinator or designee will create an investigation report. The report must include the following information:

- 1. the alleged victim's name, a description, or identifying information;
- 2. the alleged victim's relevant protected class(es);
- 3. the name, a description, or identifying information about the person making the report, if not the alleged victim;
- 4. the protected class(es) of the person making the report, if not the alleged victim;
- 5. the nature of the allegation, a description of the alleged incident(s), and the date and time (if known) of the alleged incident(s);
- 6. the name(s) and protected classes of all persons alleged to have committed the unlawful discrimination, if known, or a description/identifying information available if the name is not known;
- 7. the name(s) or description/identifying information and protected classes of all known witnesses to the alleged incident;
- 8. any written statement of the person making the report, the alleged victim (if different than the reporter), the alleged perpetrator(s), and any known witnesses;
- 9. the applicable standard of evidence, conclusion, and recommendations; and
- 10. the response by District personnel, including the date any incident was reported to law enforcement.

#### **J. Filing a False Report**

Any person who knowingly or maliciously files a false report of unlawful discrimination will be subject to discipline, up to and including expulsion.

#### **K. Retaliation**

Retaliation against a person who reports unlawful discrimination is prohibited. Any person who retaliates against a person who reports suspected unlawful discrimination will be disciplined in accordance with Policy 5206. This prohibition against retaliation also applies to retaliation against people who participate in or cooperate with an investigation related to a complaint.

#### **L. Office for Civil Rights**

Any person who believes that he or she was the victim of unlawful discrimination may file a complaint with the Office for Civil Rights (OCR) at any time:

1350 Euclid Avenue, Suite 325  
Cleveland, Ohio 44115  
Phone: (216) 522-4970  
E-mail: OCR.Cleveland@ed.gov

This complaint may be filed before, during, or after filing a complaint with the District. A person may forego filing a complaint with the District and instead file a complaint directly with OCR. The District recommends that a person who has been subjected to unlawful discrimination also file a complaint with the District to ensure that the District is able to take steps to prevent any further harassment and to discipline the alleged perpetrator, if necessary. OCR does not serve as an appellate body for District decisions. An investigation by OCR will occur separately from any District investigation.

#### **M. Appeal Process**

An alleged victim or alleged perpetrator may appeal the written investigation findings and conclusions to the Superintendent within 5 business days of receipt. Upon receipt of an appeal, the Superintendent or designee will review the investigation report, may contact additional witnesses, may consider all additional evidence, and may re-interview any witnesses. The Superintendent will then notify the parties in writing of the decision. The Superintendent or designee is not required to give deference to the investigation report and may consider any new, previously unavailable evidence in evaluating the appeal.

Note: An appeal may be to the Superintendent instead of the Board President only if the Superintendent is not the applicable coordinator.

#### **N. Training**

The District will provide to District personnel training on responding to and investigating unlawful discrimination. This training is mandatory for all District personnel responsible for implementing and enforcing anti-discrimination and anti-harassment laws and related policies and procedures. The Superintendent or designee will ensure that District personnel are notified of mandatory training sessions.

## **BENZIE CENTRAL ATHLETICS**

### **ATHLETIC ELIGIBILITY & CODE**

In order for any student to participate in any athletic activity, the student must abide by standards established by the Benzie County Central School District and the Michigan High School Athletic Association. Participating in athletic activities is a privilege— one that is earned after a student has met the standards and expectations set forth in this document and their addenda.

Student athletes and their parent/guardians must sign a Code of Conduct Contract indicating they have read, understand, and will abide by all policies, rules and regulations of the Benzie County Central Schools Board of Education. Each student must be aware that he/she is representing Benzie Central and that his/her actions, conduct, and appearance must always reflect credit on the school, group, family, and community. The following procedures will apply all year, not only during school months or current sport season.

The school's eligibility rules provide a method for ensuring that students representing the school at competitions, events, assemblies, public performances, and while in transit - meet the school's conduct expectations. These students serve as role models for the rest of the student body.

1. A student must have all debts from past and current marking periods paid.
2. Benzie Central Schools does not provide student accident insurance for athletic injuries.
3. If a student athlete is enrolled in a physical education class, he/she must be dressed and must participate in the physical education class. Failure to do so will automatically exclude the student from practice or game that day. A doctor's excuse or a parental excuse excluding the student from physical education will automatically exclude the student from athletic practice and games for the duration of the physical education exclusion.
4. A student must exhibit appropriate behavior commensurate with the privilege of representing Benzie Central Schools in athletic activities.

### **MICHIGAN HIGH SCHOOL ATHLETIC ASSOCIATION REQUIREMENTS**

1. A student must have passed at least 50% of a full time class load during the previous semester.
2. A student must be enrolled, attending and passing at least 50% of a full time class load during the current semester.
3. A student must have passed and have on file in the school office a current physical examination for the current school year, dated after April 15<sup>th</sup> of the previous school year.

4. A student must be under the age of nineteen (19) on or after September 1<sup>st</sup> of the current school year.
5. A student shall be allowed to compete in only four- first semesters and four-second semesters.

  - d. Coaches will be notified of students who may need extra assistance to be successful in their course work.
  - e. Students will be allowed only three weeks of ineligibility. After three weeks of ineligibility, they may be dropped from the team. Academics are the main reason for attending school, and sports participation may be interfering with the time they need to devote to success in the classroom.

3. Academic eligibility is checked four times per year; however, the athletic department works with the current season coaches on a weekly basis to monitor rostered athletes' academic progress. Students must pass five (5) of seven (7) courses (or 71.%) from the previous marking period; if a student athlete fails to pass 71% of his/her classes, he/she is ineligible to participate. This exceeds the 50% required by the MHSAA. If a student is not passing at least 71 percent of full credit load potential for a full-time student when checked, that student is ineligible for interscholastic scrimmages and contests until the next check but not less than for the next Monday through Sunday while in season.

Eligibility is determined on the following criteria:

They will then have a clean record when they begin the first day of their ninth grade school year or first official sports practice, whichever comes first, and violations thereafter will stay with them through their high school career, ending with graduation or the end of the MHSAA tournament series, whichever comes last..
6. If a student self-discloses and accepts responsibility for his/her actions prior to questioning, the suspension shall be reduced to a 10% suspension from that sport season. This can only be done one time in a career.

This will include carrying over into the next school year. A student must complete the sport season in which they are serving their suspension, in order for the suspension to be valid. The season is defined as being from MHSAA official start date of practice through the conclusion of Benzie Central participation in the MHSAA tournament series.

modify or deviate from board policy or penalties. Board members who are coaches will recuse themselves from the vote.

4. The decision of the Board of Education shall be final.

## **DUAL SPORT APPLICATION AND GUIDELINES**

Benzie Central promotes and encourages the participation of athletics for our student athletes. With this in mind all involved have to understand the expectations and commitments that are required.

A student may take part in dual sports with the appropriate permission forms completed and signed by the athletic director.

Prior to Dual Sport application both coaches need to be in agreement with the arrangement of primary sport selected and requirements of the student/athlete. This is with the understanding that at any time there is a conflict with a contest; event or practice the student/athlete will be required to attend the primary sport selected.

It is important the student/athlete understands their academics and attendance is first and foremost. At any time, if there is a change in academic achievement or attendance, the student's dual sport participation will need to be re-evaluated by the school personnel.

Parent/Guardian are in agreement of the expectations of the programs selected to dual sport. They are in agreement of cost, independent transportation necessary, as well as the time required to assist in making this a positive experience for the student/athlete.

The Athletic Director is in agreement with the application process, and all issues are addressed and accounted for. If there is a question regarding the physical demand that will be placed on the student/athlete the application will be denied in the best interest of the applicant or if participation has a negative impact on either team.

This process needs to be completed and approved prior to the first day of practice of the upcoming season in which the dual sport application has been requested.

### **OTHER IMPORTANT RULES, PROCEDURES AND EXPECTATIONS**

1. A student must be in school a full day in order to practice or compete in a school-sponsored activity. Only the School administration or Athletic Director, with advance notice, can waive this rule.
2. An advisor or coach of any activity program may, if he/she so desires have rules in addition to those listed here. If other rules do exist, the advisor or coach of that program must explain them to the students prior to the beginning of the program—rules must be in writing. Rules may exceed policy but not be less than policy. Rules must be approved by the administration before distribution to students and parents.
3. No athlete can change from one sport to another sport during the same sports season; with the following exceptions
  - a. S/he is cut from the first sport by the coach of that sport.
  - b. S/he makes the change within one (1) week of the start of the season.
  - c. S/he has a doctor's note that states that he/she can no longer participate in the first sport but may take part in another sport taking place during that season.
4. There will be no use of school facilities for Sunday practices, required or optional without prior approval of the administration.
5. All students must ride the school bus providing transportation to an away event and back to Benzie Central School from that event with the following exceptions:
  - a. If the parents of a team member go directly to the coach and ask to take their son or daughter with them and sign the student out.
  - b. If a student has a signed note from the Principal, Director of Student Services or A.D. to ride home with parents of another team member or adult family member, i.e. brother or sister.
  - c. Benzie Central may provide other options for students to travel to and from games with signed parent permission forms each season. Advanced notice of the procedure must be approved by the parent of the student.
  - d. Money Earned Policy: if any part of any uniform or equipment is paid for by money earned through the school's name, that uniform or equipment is property of the athletic department at the end of the season. There will not be any exceptions to this rule. If there are any questions concerning how this type of money may be used, feel free to call the Athletic Director at the school.
  - e. Students seeking medical attention will not be allowed to return to participation status without the written release from a treating physician.

### **CONFLICT IN EXTRA-CURRICULAR ACTIVITIES**

The Athletic Department recognizes each student should have the opportunity for a broad range of experiences in extra-curricular activities and, to this end, will attempt to schedule events in a manner to minimize conflicts.

Students have a responsibility to do everything they can to avoid continuous conflicts. This would involve being cautious about being involved in too many activities. It also means notifying the faculty sponsors involved immediately when a conflict does arise.

When a conflict does occur, the sponsors will meet and work out a solution so the student does not feel caught in the middle. If a solution cannot be found, then the principal will make a decision considering the following:

1. The relative importance of each event.
2. The importance of each event to the student.
3. The relative contribution the student can make to the event.
4. How long has each event been scheduled.
5. Conversation with the parents.

Once the decision has been made and the student has followed the decision, he/she will not be penalized in any way by the faculty sponsor or athletic coach. If it becomes obvious that a student cannot fulfill the obligation of a school activity, he/she should withdraw from that activity.

### **TRANSFERS FOLLOWING VIOLATION OF A SCHOOL'S STUDENT/ATHLETIC CODE**

Benzie Central Schools will enforce upon a transfer student any period of ineligibility to which that student would have been subject as a result of a student or athletic code violation(s) at that student's most recent previously attended school.

A student who transfers to Benzie Central Schools after becoming ineligible because of student or athletic conduct code violation(s) at the previously attended school shall remain ineligible at Benzie Central Schools for not less than the period of ineligibility imposed by the previously-attended school. This would be the case even if the student's situation would otherwise satisfy one or more of the exceptions to the transfer regulation of Benzie Central Schools and the Michigan High School Athletic Association (Regulation I, Section 9), and even if the act which caused the student's ineligibility at the previous school would not be a violation or cause the same period of ineligibility at Benzie Central Schools.

That student was subject to the rules and penalties of the previous school and shall not be allowed to escape the consequences of his/her conduct and, in doing so, displace students of Benzie Central Schools from teams, positions, events, and awards at least until the full period of ineligibility has been served.

### **NCAA CLEARINGHOUSE & COLLEGE ATHLETIC PARTICIPATION**

Many times parents feel their athlete possesses the ability to participate at the next level beyond high school and their students agree. It is imperative parents and students recognize their responsibility to read and know the requirements of the collegiate programs in which they are interested; each level has different requirements that must be met while the student is in high school. If you have questions, please contact the Athletic Office or the High School Guidance office and consult the Benzie Central High School Course Description Guide, produced each year with our course offerings and requirements for graduation.
