Happy November Lake Ann Elementary Families!

Even though the weather keeps changing on us and our beautiful fall foliage has turned into a bit of rain, and even snow lately, the academic process is staying consistent here at Lake Ann Elementary. Educators and students are continuing to work hard each and every day, focusing on class lessons, providing Tier 2 supports, and meeting learners where they are in order to best serve them in the classroom.

November brings about time for us to remember that we are an educational community that strives to serve our students with the highest caliber of academic, social-emotional, and resource supports in order to develop our students and to best prepare them to become contributing members of their communities. We are thankful for the opportunity to be a part of this important time in your child's life.

Not only do we take your child's academic progress seriously, we also are committed to the social and emotional growth of all of our students here within the Benzie Central Schools. Your child has ample opportunities to fine tune their skills in: self-awareness, self-management, responsible decision making, relationship skills, and social-awareness through daily lessons within our districtwide curriculum titled Move This World. These lessons are also translated into our building level Positive Behavioral Intervention and Support recognition system of Caught You Being Great! We are thankful for these opportunities to help develop your child into a well-rounded individual!

Your partner in education,
Rachel Anderson, Lake Ann Elementary Principal

Crystal Mountain Ski Program

The School program season pass gives students access to weekly skiing/snowboarding lessons at Crystal Mountain. Lake Ann's ski night will be Wednesday nights beginning January 11. Students who participated last year may begin January 4th to have their skill assessment completed early. If you are interested in participating in this program please contact Mrs. Nowak at nowakr@benzieschools.net
The registration deadline is Wednesday, November 30.

Craft Show
December 10th
At Lake Ann Elementary

This is a craft show that raises money to support a Benzie Central Scholarship, called "The Promise Scholarship". All of the profit from the booth rental contributes to the scholarship.

There are still spots available. Please contact Melissa Burch at burchm@benzieschools.net for an application.

Benzie Boys Basketball

3rd - 6th grade

Attention parents:

If your son wants to participate in basketball this winter please fill out a form from school and hand it back into the school office by November 18th.

It is getting colder!

Please remember that we are moving into the winter months. All kids need to have winter coats, hats, gloves, snow pants, and boots to go outside and play! (please put names on all items)

Picking up students

Please remember that when you are picking up your student early, that you are here to pick up no later than 3:30. We ask this for the safety of staff and students. If your student is going home differently than normal. Please call and let the office know before 3:30 so we can make sure to get your student in the correct line or on the bus.
