A. LEAVES OF ABSENCE

Leaves of absence for reasonable periods not to exceed one (1) year may be granted upon request for:

1. Serving in any public position.
2. Maternity and child care leaves. Such leave may be extended for a reasonable period of time at the discretion of the supervisor.
3. Extended illness (physical or mental) beyond accumulated sick leave.
4. Prolonged illness in the immediate family.
5. Educational leave without pay for a period up to an academic year for each employee who wishes to attend school as a full-time student.
6. Short-term personal leave.
7. Military leave.
8. Other leaves approved by the Superintendent. Benefits shall not accrue during an unpaid leave.

B. APPLICATION FOR LEAVE OF ABSENCE

An application requesting a leave of absence pursuant to this Article must be submitted to the Superintendent no later than three (3) weeks prior to the time the leave is to commence. Exceptions shall be made under extenuating circumstances. The Board reserves the right to limit to a reasonable number the employees on leave at one time. The request for the leave of absence must be in writing setting forth the reasons for the leave of absence and the anticipated length of time; and if requested, verification shall be submitted. Any extensions for leaves of absence shall be handled the same as the request for the regular leave.

In instances of unpaid absence caused by non-health related conditions (e.g., vacation trip and/or for personal reasons not covered in Section A of this article), the employee may take a total of five (5) unpaid days off before becoming responsible for the employer's share of the per diem cost of health insurance.

On the sixth and succeeding such days the employee shall be responsible for the Board of Education's portion of the per diem cost of the health insurance premium while on unpaid leave of absence.

C. RETURNING FROM LEAVE

Employees returning from a medical leave of absence may be required to certify their ability to return to work at least five (5) working days prior to the requested date of the return.

Employees returning from leave will generally fit into one (1) of three (3) categories. They are:

1. Returning Early: Employees returning early from leave of absence must submit a request to return to work in writing. Employees returning early from leave other than medical leave must wait for the next available position opening within their classification.
2. Returning on the Planned Date: Employees returning on the planned date will be placed in the position they left, if that position still exists. If the position does not exist they will be placed in a position which their relevant job-related qualifications and seniority allow them to occupy. Should this cause another senior employee to be displaced, the provisions of Section 2.5 B.2 and B.3 shall be followed.
3. Returning after the Planned Date: Employees returning after the planned date must apply for an extension as described in Paragraph B. of this Article.

D. FAILURE TO RETURN

Failure to return from an approved leave on the agreed upon date shall mean the employee has voluntarily terminated his/her employment with the Employer.

E. MAINTENANCE OF BENEFITS

Employees who desire to maintain their health care benefits during the period of the leave may do so by arranging to pay monthly in advance the cost of the premium to the Employer. The parties expressly recognize that it is the employee's responsibility to have the money in the business office in advance of the scheduled date of premium payment. Failure of the employee to do so shall result in the loss of health care coverage except in emergency situations approved by the Superintendent or his/her designee. It is understood by the parties that the employee may qualify under the Family and Medical Leave Act of 1993 for paid health care benefits for up to twelve (12) weeks while on unpaid leave.

F. FAMILY MEDICAL LEAVE

Pursuant to the Family and Medical Leave Act of 1993, an employee who has been employed at least twelve months and worked at least 1,250 hours during the prior twelve-month period is entitled to twelve work weeks of leave during any twelve-month period without pay but with group health insurance coverage maintained for a reason provided by law including:

2. Due to the placement of a child with the employee for adoption or foster care;
3. To care for the employee's spouse, child, or parent who has a serious health condition; or
4. Due to a serious health condition that renders the employee incapable of performing the functions of his or her job.

4.3 HOLIDAYS

Employees shall receive full day pay for Thanksgiving Day, the day after Thanksgiving, Christmas Eve and Christmas Day but shall not be required to work on these days, provided that the employee was at work on the scheduled work days before and after Thanksgiving and

Christmas/Christmas Eve unless their absence is excused with a doctor's note which indicates that the employee was unable to work on the scheduled day in question.
