Due to liability concerns parents, siblings, and/or other spectators are no longer allowed to be upstairs before during or after practice. Parents that need to help their children with shoes etc. will need to do so in the hallway outside of the gym, and then have their child carry their belongings to the weight room. Parents that wish to stay on site may stay in the gym or cafeteria while they wait for their child to practice. Husky Wrestling Club along with Benzie Central Schools DOES NOT provide an insurance program covering health or injury problems resulting from any activity or participation (practices, contests or authorized team activity) in this club. It is the responsibility of the wrestler and their family to provide such insurance and to take care of any medical expenses. I fully and forever waive and release the Husky Wrestling Chub, Benzie Central Schools, its employees and all of those involved in these organizations from the liability and claims for injury or damage my child may sustain while participating.
