Select brand-name drugs may be included in the generic tier.</li> <li>• <b>Preferred brand-name drug tier</b> – This tier includes preferred brand-name drugs. These drugs are more expensive than generic and members pay more for them.</li> <li>• <b>Nonpreferred brand-name drug tier</b> – This tier includes brand-name drugs for which there's either a generic alternative or a more cost-effective preferred brand-name drug available. Members pay more for these nonpreferred brand-name drugs.</li> </ul>
Prior authorization/step therapy	<p>A process that requires a physician to obtain approval from BCBSM <b>before</b> select prescription drugs (drugs identified by BCBSM as requiring prior authorization) will be covered. <b>Step Therapy</b>, an initial step in the "Prior Authorization" process, applies criteria to select drugs to determine if a less costly prescription drug may be used for the same drug therapy. Some over-the-counter medications may be covered under step therapy guidelines. This also applies to mail order drugs. Claims that do not meet Step Therapy criteria require prior authorization. Details about which drugs require prior authorization or step therapy are available online site at <a href="http://bcbsm.com/pharmacy">bcbsm.com/pharmacy</a>.</p>
