

See Ms. Pritchett, HS Counselor, for more information!

Get a head start on life after high school.
For little to no cost.

Many of today's jobs require more than a high school diploma. Whether you hope to land a job right after high school or pursue a college degree—or even if you're not sure—Michigan's free and low-cost career-connected learning opportunities prepare you to pursue what's next.

FIRST:

Check off all of the statements that are important to you in the boxes on the left.

THEN:

See which of the College in High School opportunities will help you achieve each goal.

		Early Middle College Transforms the typical high school experience into a five-year program of study culminating with a recognized credential.	Career Technical Education Provides real world experience, relevant academics and credentials in careers you're interested in.	Advanced Placement/ International Baccalaureate Provides the opportunity to take college-level courses from your high school classroom, culminating in a final exam to potentially earn college credits.	Dual Enrollment Allows high school students to take college courses and earn high school and college credits at the same time.
<input type="checkbox"/>	I want to be prepared for college	Yes	Yes	Yes	Yes
<input type="checkbox"/>	I want to be prepared for my career	Yes	Yes	Yes	Yes
<input type="checkbox"/>	I want to reduce the future cost of college	Yes	Yes	Yes	Yes
