GENERAL PROVISIONS

ENTIRE CONTRACT

The entire contract between you and us is this Policy, your application (a copy of which is attached at issue), and any endorsements and amendments.

CHANGES

No agent has authority to change or waive any part of this Policy. To be valid, any change or waiver must be in writing. It must also be signed by one of our executive officers and attached to this Policy.

INCONTESTABILITY

Any statement made in your application will be deemed a representation, not a warranty. We cannot contest the validity of this Policy after it has been in force for two (2) years from the date of issue, except for non-payment of premium. All other Policy terms will remain applicable.

Any statements made by you, any Insured, or on behalf of any Insured to persuade us to provide coverage, will be deemed a representation, not a warranty. This provision limits our use of these statements in contesting the amount of insurance for which an Insured is covered. The following rules apply to each statement:

- (1) No statement will be used in a contest unless:
 - (a) it is in a written form signed by the Insured, or on behalf of the Insured; and
 - (b) a copy of such written instrument is or has been furnished to the Insured, the Insured's beneficiary or legal representative.
- (2) If the statement relates to an Insured's insurability, it will not be used to contest the validity of insurance which has been in force, before the contest, for at least two years during the lifetime of the Insured.

RECORDS MAINTAINED

You must maintain records of all Insureds. Such records must show the essential data of the insurance, including new persons, terminations, changes, etc. This information must be reported to us regularly. We reserve the right to examine the insurance records maintained at the place where they are kept. This review will only take place during normal business hours.

CLERICAL ERROR

Clerical errors in connection with this Policy or delays in keeping records for this Policy, whether by you, us, or the Plan Administrator:

- (1) will not terminate insurance that would otherwise have been effective; and
- (2) will not continue insurance that would otherwise have ceased or should not have been in effect.

Clerical errors include (but are not limited to) the payment of premium for coverage not provided by this Policy. If appropriate, a fair adjustment of premium will be made to correct a clerical error. Such adjustments will be limited to the twelve (12) month period preceding the date we receive proof from you that an adjustment due to overpayment of premium should be made or the date we discover that premium has been underpaid.

MISSTATEMENT OF FACTS

If relevant facts about any person were misstated:

- (1) an adjustment of the premium will be made; and
- (2) the true facts will decide what amount of insurance is valid under this Policy.

If any misstated fact impacts the amount of premium that should have been paid, any benefit payable shall be in the amount the paid premium would have purchased based on the correct fact(s).

ASSIGNMENT

Ownership of any benefit provided under this Policy may be transferred by assignment. An irrevocable beneficiary must give written consent to assign this insurance. Written request for assignment must be made in duplicate at our Administrative Offices. Once recorded by us, an assignment will take effect on the date it was signed. We are not liable for any action we take before the assignment is recorded.

CONFORMITY WITH STATE LAWS

Any section of this Policy, which on its effective date, conflicts with the laws of the state in which this Policy is issued, that is not otherwise pre-empted, is amended by this provision. This Policy is amended to meet the minimum requirements of those laws.

CERTIFICATE OF INSURANCE

We will send to you a certificate for distribution to each Insured and you agree to distribute a certificate to each Insured. The certificate will outline the insurance coverage and to whom benefits are payable.

POLICY TERMINATION

You may cancel this Policy at any time by providing us with written notice. This Policy will be cancelled on the date we receive your letter or, if later, the date requested in your letter.

We may cancel this Policy if:

- (1) the premium is not paid at the end of the grace period; or
- (2) the number of Insureds is less than the Minimum Participation Number on the Schedule of Benefits; or
- (3) the percentage of eligible persons insured is less than the Minimum Participation Percentage on the Schedule of Benefits.

If we cancel because of (1) above, the Policy will be cancelled at the end of the grace period. If we cancel because of (2) or (3) above, we will give you thirty-one (31) days written notice prior to the date of cancellation.

You will still owe us any premium that is not paid up to the date the Policy is cancelled. We will return, pro-rata, any part of the premium paid beyond the date the Policy is cancelled.

INDIVIDUAL ELIGIBILITY, EFFECTIVE DATE AND TERMINATION

GENERAL GROUP: The general group will be your employees and employees of any subsidiaries, divisions or affiliates named on the Schedule of Benefits.

ELIGIBILITY REQUIREMENTS: A person is eligible for insurance under this Policy if he/she is a member of an Eligible Class, as shown on the Schedule of Benefits page.

EFFECTIVE DATE OF INDIVIDUAL INSURANCE: If you pay the entire premium, the insurance up to the guaranteed issue Amount of Insurance, if applicable, for an Eligible Person will go into effect on the date stated on the Schedule of Benefits.

Amounts of Insurance over the guaranteed issue Amount of Insurance shown on the Schedule of Benefits must be applied for in writing and are subject to proof of good health.

Insurance will be effective on the date we approve such proof of good health.

If an Eligible Person pays a part of the premium, he/she must apply in writing for the insurance to go into effect. He/she will become insured on the later of:

- (1) the Individual Effective Date stated on the Schedule of Benefits, if he/she applies on or before that date; or
- (2) the date he/she applies, if he/she applies within thirty-one (31) days from the date he/she first met the eligibility requirements; or
- (3) the date we approve any required proof of good health. We require proof of good health if a person applies:
 - (a) after thirty-one (31) days from the date he/she first becomes eligible; or
 - (b) after he/she terminated this insurance but he/she remained in a class eligible for this insurance; or
 - (c) for an Amount of Insurance greater than the guaranteed issue Amount of Insurance shown on the Schedule of Benefits, if applicable; or
 - (d) for an Amount of Insurance greater than he/she was insured for under the prior group life insurance plan carrier, if applicable; or
 - (e) after being eligible for coverage under a prior group life insurance plan for more than thirty-one (31) days but did not elect to be covered under that prior plan; or
- (4) the date premium is remitted.

Proof of good health forms are available from us upon request. It is your responsibility to provide proof of good health forms to your employees when required.

If an Eligible Person has been previously declined for coverage by us, had an application withdrawn or marked incomplete for any reason, or voluntarily terminated his/her insurance coverage with us, all future requests for coverage are subject to submission and our approval of proof of good health. However, proof of good health will not be required if an Eligible Person who voluntarily terminated his/her insurance coverage with us makes a future request due to a life event change or during any approved enrollment period.

Changes in an Insured's Amount of Insurance are effective as shown on the Schedule of Benefits.

If the Eligible Person is not Actively at Work on the day his/her insurance is to go into effect, the insurance will go into effect on the day he/she returns to Active Work in an Eligible Class for one full day.

TERMINATION OF INDIVIDUAL INSURANCE: The insurance of an Insured will terminate on the first of the following to occur:

- (1) the date this Policy terminates; or
- (2) the date the Insured ceases to be in a class eligible for this insurance; or
- (3) the end of the period for which premium has been paid for the Insured; or
- (4) the date the Insured enters military service on active duty (not including Reserve or National Guard).

CONTINUATION OF INDIVIDUAL INSURANCE: The insurance of an Insured may be continued, by payment of premium, beyond the date the Insured ceases to be eligible for this insurance, but not longer than:

- (1) twelve (12) months, if due to illness or injury; or
- (2) one (1) month, if due to temporary lay-off or approved leave of absence; or
- (3) three (3) months, if due to a scheduled school closing.

CONVERSION PRIVILEGE

An Insured can use this privilege when his/her insurance is no longer in force. It has several parts. They are:

- A. If the insurance ceases due to termination of employment or membership in any of this Policy's classes, an individual Life Insurance Policy may be issued. The Insured is entitled to a policy without disability or supplemental benefits. A written application for the policy must be made by the Insured within thirty-one (31) days after he/she terminates. The first premium must also be paid within that time. The issuance of the policy is subject to the following conditions:
 - (1) The policy will, at the option of the Insured, be on any one of our forms, except for term life insurance. It will be the standard type issued by us for the age and amount applied for;
 - (2) The policy issued will be for an amount not over what the Insured had before he/she terminated;
 - (3) The premium due for the policy will be at our usual rate. This rate will be based on the amount of insurance, class of risk and the Insured's age at date of policy issue; and
 - (4) Proof of good health is not required.
- B. If the insurance ceases due to the termination or amendment of this Policy, an individual Life Insurance Policy can be issued. An Insured must have been insured for at least five (5) years under this Policy and/or the prior carrier. The same rules as in A above will be used, except that the face amount will be the lesser of:
 - (1) The amount of the Insured's Group Life benefit under this Policy. This amount will be less any amount he/she is entitled to under any group life policy issued by us or another insurance company; or
 - (2) \$5,000.
- C. If the insurance reduces, as may be provided in this Policy, an individual Life Insurance Policy can be issued. The same rules as in A above will be used, except that the face amount will not be greater than the amount which ceased due to the reduction.
- D. If an Insured dies during the time provided in A above in which he/she is entitled to apply for an individual policy, we will pay the benefit under the Group Policy that he/she was entitled to convert. This will be done whether or not the Insured applied for the individual policy.
- E. Any policy issued with respect to A, B or C above will be put in force at the end of the thirty-one (31) day period in which application must be made.

PREMIUMS

PREMIUM PAYMENT: All premiums are to be paid by you to us, or to an authorized agent, on or before the due date. The premium due dates are stated on the Policy face page.

PREMIUM RATE: The premium due will be the rate per \$1,000 of benefit multiplied by the entire amount of benefit volume then in force. We will furnish to you the premium rate on the Policy effective date and when it is changed. We have the right to change the premium rate:

- (1) on any premium due date after the Policy is in force for 12 months;
- (2) when the extent of coverage is changed by amendment; or
- (3) on any premium due date on or after the Policy is in force for 12 months if the entire amount of the benefit volume changes by 15% or more from the entire amount of benefit volume on the Policy effective date.

We will not change the premium rate due to (1) or (3) above more than once in any twelve (12) month period. We will tell you in writing at least thirty-one (31) days before the date of a change due to (1) or (3) above.

GRACE PERIOD: You may pay the premium up to 31 days after the date it is due. The Policy stays in force during this time. If the premium is not paid during the grace period, the Policy will be cancelled at the end of the grace period. You will still owe us the premium up to the date the Policy is cancelled.

BENEFICIARY AND FACILITY OF PAYMENT

BENEFICIARY: The beneficiary will be as named in writing by the Insured to receive benefits at the Insured's death. This beneficiary designation must be on file with us or the Plan Administrator and will be effective on the date the Insured signs it. Any payment made by us before receiving the designation shall fully discharge us to the extent of that payment.

If the Insured names more than one beneficiary to share the benefit, he/she must state the percentage of the benefit that is to be paid to each beneficiary. Otherwise, they will share the benefit equally.

The beneficiary's consent is not needed if the Insured wishes to change the designation. His/her consent is also not needed to make any changes in this Policy.

If the beneficiary dies at the same time as the Insured, or within fifteen (15) days after his/her death but before we receive written proof of the Insured's death, payment will be made as if the Insured survived the beneficiary, unless noted otherwise.

If the Insured has not named a beneficiary, or the named beneficiary is not surviving at the Insured's death, any benefits due shall be paid to the first of the following classes to survive the Insured:

- (1) the Insured's legal spouse;
- (2) the Insured's surviving child(ren) (including legally adopted child(ren)), in equal shares;
- (3) the Insured's surviving parents, in equal shares;
- (4) the Insured's surviving siblings, in equal shares; or, if none of the above,
- (5) the Insured's estate.

We will not be liable for any payment we have made in good faith.

FACILITY OF PAYMENT: If a beneficiary, in our opinion, cannot give a valid release (and no guardian has been appointed), we may pay the benefit to the person who has custody or is the main support of the beneficiary. Payment to a minor shall not exceed \$1,000.

If the Insured has not named a beneficiary, or the named beneficiary is not surviving at the Insured's death, we may pay up to \$2,500 of the benefit to the person(s) who, in our opinion, have incurred expenses in connection with the Insured's last illness, death or burial.

The balance of the benefit, if any, will be held by us, until an individual or representative:

- (1) is validly named; or
- (2) is appointed to receive the proceeds; and
- (3) can give valid release to us.

The benefit will be held with interest at a rate set by us.

We will not be liable for any payment we have made in good faith.

SETTLEMENT OPTIONS

The Insured may elect a different way in which payment of the Amount of Insurance can be made. He/she must provide a written request to us, for our approval, at our Administrative Office. If the option covers less than the full amount due, we must be advised of what part is to be under an option. Amounts under \$2,000 or option payments of less than \$20.00 each are not eligible.

If no instructions for a settlement option are in effect at the death of the Insured, the beneficiary may make the election, with our consent.

OPTION A – FIXED TIME PAYMENT OPTION

Equal monthly payments will be made for any period chosen, up to thirty (30) years. The amount of each payment depends on the amount applied, the period selected and the payment rates we are using when the first payment is due. The rate of any monthly payment will not be less than shown in the table below. We reserve the right to change it. This change will apply only to requests for settlement elected after this change.

Option A Table
Minimum Monthly Payment Rates for each \$1,000 Applied

Years	Monthly Payment	Years	Monthly Payment	Years	Monthly Payment	Years	Monthly Payment	Years	Monthly Payment
1	\$83.71	7	\$12.32	13	\$6.83	19	\$4.81	25	\$3.76
2	42.07	8	10.83	14	6.37	20	4.59	26	3.64

6	14.30	12	7.36	18	5.05	24	3.90	30	3.21

OPTION B – FIXED AMOUNT PAYMENT OPTION

Each payment will be for an agreed fixed amount. The amount of each payment may not be less than \$10.00 for each \$1,000 applied. Interest will be credited each month on the unpaid balance and added to it. This interest will be at a rate set by us, but not less than the equivalent of 1% per year. Payments continue until the amount we hold runs out. The last payment will be for the balance only.

OPTION C – INTEREST PAYMENT OPTION

We will hold any amount applied under this section. Interest on the unpaid balance will be paid each month at a rate set by us. This rate will not be less than the equivalent of 1% per year.

If a beneficiary dies while receiving payments under one of these options and there is no contingent beneficiary, the balance will be paid in one sum to the proper representative of the beneficiary's estate, unless otherwise agreed to in the instructions for settlement.

Requests for settlement options other than the three (3) set out above may be made. A mutual agreement must be reached between the individual entitled to elect and us.

WAIVER OF PREMIUM IN EVENT OF TOTAL DISABILITY

We will extend the Amount of Insurance during a period of Total Disability for one (1) year if:

- (1) the Insured becomes totally disabled prior to age 60;
- (2) the Total Disability begins while he/she is insured;
- (3) the Total Disability begins while this Policy is in force;
- (4) the Total Disability lasts for at least 6 months;
- (5) the premium continues to be paid; and
- (6) we receive proof of Total Disability within one (1) year from the date it began.

After proof of Total Disability is approved by us, neither you or the Insured is required to pay premiums. Also, any premiums paid from the start of the Total Disability will be returned.

We will ask the Insured to submit annual proof of continued Total Disability. The Amount of Insurance may then be extended for additional one (1) year periods. The Insured may be required to be examined by a Physician approved by us as part of the proof. We will not require the Insured to be examined more than once a year after the insurance has been extended two (2) full years.

The Amount of Insurance extended will be limited to the amount of basic group life coverage on the life of the Insured that was in force at the time that Total Disability began excluding any additional benefits. This amount will not increase. This amount will reduce or cease at any time it would reduce or cease if the Insured had not been totally disabled. If the Insured dies, we will be liable under this extension only if written proof of death is received by us.

The Amount of Insurance extended for an Insured will cease on the earliest of:

- (1) the date he/she no longer meets the definition of Total Disability; or
- (2) the date he/she refuses to be examined; or
- (3) the date he/she fails to furnish the required proof of Total Disability; or
- (4) the date he/she becomes age 70; or
- (5) the date he/she retires.

The Insured may use the conversion privilege when this extension ceases. Please refer to the Conversion Privilege section for rules. An Insured is not entitled to conversion if he/she returns to work and is again eligible for the insurance under this Policy. If the Insured uses the conversion privilege, benefits will not be payable under the Waiver of Premium in Event of Total Disability provision unless the converted policy is surrendered to us.

If the Insured qualifies for benefits in accordance with the Waiver of Premium in Event of Total Disability provision because he/she has been diagnosed by a Physician as totally disabled due to the following Condition(s) or Procedure(s), as later defined;

- (1) Life Threatening Cancer; or
- (2) Heart Attack (Myocardial Infarction); or
- (3) Kidney (Renal) Failure; or
- (4) Receipt of Major Organ Transplant; or
- (5) Stroke,

we will pay to the Insured an additional, one time, lump sum benefit in an amount equal to 10% of the death benefit under the basic life portion of this Policy up to a maximum of \$100,000.

This lump sum benefit applies only to the first Condition or Procedure to occur among those hereinafter defined which qualifies the Insured for waiver of premium benefits. No further lump sum benefits will be payable under this provision during the same or any subsequent periods of Total Disability, or as a result of the occurrence of any other Condition or Procedure.

Definition(s):

"Condition(s) or Procedure(s)" mean only the following:

"Life Threatening Cancer" means a malignant neoplasm (including hematologic malignancy), as diagnosed by a Physician who is a board certified oncologist, and which is characterized by the uncontrolled growth and spread of malignant cells and the invasion of tissue, and which is not specifically excluded. The following types of cancer are not considered a Life Threatening Cancer: (1) early prostate cancer diagnosed as T2c or less according to the TNM scale; (2) colorectal cancer diagnosed as T2, N1, M0 or less according to the TNM scale; (3) breast cancer diagnosed as T3, N2, M0 or less according to the TNM scale; (4) First Carcinoma in Situ; (5) pre-malignant lesions (such as intraepithelial neoplasia); (6) brain glioma; (7) benign tumors or polyps; (8) tumors in the presence of the Human Immunodeficiency Virus (HIV) or Acquired Immune Deficiency Syndrome (AIDS); or (9) any skin cancer other than invasive malignant melanoma in the dermis or deeper, or skin malignancies that have become Life Threatening Cancers.

"First Carcinoma in Situ" means the first diagnosis of cancer in which the tumor cells still lie within the tissue of the site of origin without having invaded neighboring tissue. First Carcinoma in Situ must be diagnosed pursuant to a pathological diagnosis or clinical diagnosis.

"Heart Attack (Myocardial Infarction)" means the death of a segment of the heart muscle as a result of a blockage of one or more coronary arteries. In order to be covered under this provision, the diagnosis by a Physician of Heart Attack (Myocardial Infarction) must be based on:

- (1) new electrocardiographic changes consistent with and supporting a diagnosis of Heart Attack (Myocardial Infarction); and
- (2) a concurrent diagnostic elevation of cardiac enzymes; and
- (3) therapeutic and functional classifications, 3 or above and C or above respectively, according to the New York Heart Association.

"Kidney (Renal) Failure" means the chronic irreversible failure of both of the kidneys (end stage renal disease), which requires treatment with dialysis on a regular basis. Kidney Failure is covered under this provision only if the diagnosis has been made by a Physician who is a board certified nephrologist.

"Physician" means a duly licensed practitioner who is recognized by the law of the jurisdiction in which treatment is received as qualified to treat the type of condition for which claim is made. The Physician may not be the Insured or a member of his/her immediate family and must be approved by us.

"Receipt of Major Organ Transplant" means that the Insured has been the recipient of a major organ transplant and that there is clinical evidence of an Insured's major organ(s) failure which, according to the diagnosis of a Physician, required the failing organ(s) or tissue of the Insured to be replaced with organ(s) or tissue from a suitable donor under generally accepted medical procedures. Organs or tissues covered by this definition are limited to liver, kidney, lung, entire heart, pancreas, or pancreas-kidney.

"Stroke" means a cerebrovascular accident or infarction (death) of brain tissue, as diagnosed by a Physician, which is caused by hemorrhage, embolism, or thrombosis producing measurable, neurological deficit persisting for at least one hundred eighty (180) days following the occurrence of the Stroke. Stroke does not include Transient Ischemic Attack (TIA) or other cerebral vascular events.

Receipt of this additional lump sum payment may be taxable. The Insured should seek assistance from his/her own personal tax advisor.

Definitions

"Eligible Dependent Child(ren)" means an Insured's unmarried child(ren) who are under age 26 and financially dependent upon the Insured for support. Such child(ren) must be enrolled: (1) as a full-time student in any post-high school Educational Institution on the date of the Insured's death; or (2) in the 12th grade on the date of the Insured's death and subsequently enrolls as a full-time student in a post-high school Educational Institution within 1 year of the date of the Insured's death.

"Eligible Dependent Spouse" means an Insured's legal spouse who is not legally separated or divorced from the Insured on the date of his/her death and attends any post-high school Educational Institution for the purpose of obtaining a source of support.

"Educational Institution" includes, but is not limited to, any accredited university, college, trade school, vocational school or professional school.

"Academic Year" means the annual period of sessions of an Educational Institution, usually beginning in September and ending in June.

Termination of the Education Benefit - The Education Benefit will terminate for each Eligible Dependent on the earlier of:

- (1) the end of the Maximum Benefit Period shown above; or
- (2) the date any child no longer meets the definition of Eligible Dependent Child(ren) shown above.

Minimum Benefit

If there are no dependents who qualify for the Education Benefit, we will pay a minimum benefit of \$1,000 to the Insured's eligible Survivor.

"Survivor" means an Insured's legal spouse, who is not legally separated or divorced from that Insured. If the Insured's spouse is not living, then "Survivor" means an Insured's unmarried child(ren) under age 20, who is financially dependent upon the Insured for support, including adoptive, foster and step-child(ren), who are in the custody of the Insured, and an Insured's unmarried child(ren) under age 26 who is attending a college or other school on a full-time basis and is financially dependent upon the Insured for support.

If there is more than one eligible surviving child, the benefit will be payable to each child in equal amounts.

If there are no eligible Survivors, no benefit will be payable.

A benefit payable to a minor may be paid to the minor's legally appointed guardian. If there is no guardian, at our option, we may pay the benefit to the adult that has, in our opinion, assumed the custody and main support of the minor. We will not be held liable for any payment we have made in good faith.

SEAT BELT AND AIR BAG BENEFIT

Seat Belt Benefit

We will pay an additional Seat Belt Benefit if, due to an Injury sustained while driving or riding in a private passenger Four-Wheel Vehicle, the Insured suffers loss of life for which an Accidental Death Benefit is payable under the Policy.

Once we receive the police accident report which confirms that the Insured was properly strapped in a Seat Belt at the time of the accident, we will pay a benefit equal to 10% of the Accidental Death Benefit payable under the Policy.

If the police report does not clearly establish that the Insured was or was not wearing a Seat Belt at the time of the accident which caused the Insured's death, the benefit payable will be \$1,000 in lieu of the benefit described above.

"Seat Belt" means an unaltered factory-installed lap and/or shoulder restraint designed to keep a person steady in a seat.

Air Bag Benefit

In addition to the Seat Belt Benefit, we will also pay an Air Bag Benefit if such private passenger Four-Wheel Vehicle is equipped with a factory-installed Air Bag and the police accident report clearly establishes that the Insured was positioned in a seat which is designed to be protected by an Air Bag and was properly strapped in the Seat Belt when the Air Bag inflated.

Once we receive the police accident report which confirms that the Air Bag inflated properly upon impact, we will pay a benefit equal to 5% of the Accidental Death Benefit payable under the Policy.

"Four-Wheel Vehicle" means a private passenger automobile, a truck-type vehicle which has a manufacturer's rated load capacity of 2,000 pounds or less, or a self-propelled motor home, all of which are registered for private passenger use and designated for transportation on public roadways.

EXTENSION OF COVERAGE UNDER THE FAMILY AND MEDICAL LEAVE ACT AND UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)

Family and Medical Leave of Absence:

We will continue the Insured's coverage and that of any Insured Dependent, if applicable, in accordance with your policies regarding leave under the Family and Medical Leave Act of 1993, as amended, or any similar state law, as amended, if:

- (1) the premium for such Insured and his/her Insured Dependents, if applicable, continues to be paid during the leave; and
- (2) you have approved the Insured's leave in writing and provide a copy of such approval within thirty-one (31) days of our request.

As long as the above requirements are satisfied, we will continue coverage until the later of:

- (2) the end of the leave period required by any similar state law, as amended.

Military Services Leave of Absence:

We will continue the Insured's coverage and that of any Insured Dependents, if applicable, in accordance with your policies regarding Military Services Leave of Absence under USERRA if the premium for such Insured and his or her Insured Dependents, if applicable, continues to be paid during the leave.

As long as the above requirement is satisfied, we will continue coverage until the end of the period required by USERRA.

This Policy, while coverage is being continued under this Military Services Leave of Absence extension, does not cover any loss which occurs while on active duty in the military if such loss is caused by or arises out of such military service, including but not limited to war or any act of war, whether declared or undeclared.

While the Insured is on a Family and Medical Leave of Absence for any reason other than his or her own illness, injury or disability or Military Services Leave of Absence he or she will be considered Actively at Work. Any changes such as revisions to coverage due to age, class or salary changes, as applicable, will apply during the leave except that increases in the amount of insurance, whether automatic or subject to election, will not be effective for an Insured who is not considered Actively at Work until the Insured has returned to Active Work for one (1) full day.

A leave of absence taken in accordance with the Family and Medical Leave Act of 1993 or USERRA will run concurrently with any other applicable continuation of insurance provision in this Policy.

The Insured's coverage and that of any Insured Dependents, if applicable, will cease under this extension on the earliest of:

- (1) the date this Policy terminates; or
- (2) the end of the period for which premium has been paid for the Insured; or
- (3) the date such leave should end in accordance with your policies regarding Family and Medical Leave of Absence and Military Services Leave of Absence in compliance with the Family and Medical Leave Act of 1993, as amended and USERRA.

Should you choose not to continue the Insured's coverage during a Family and Medical Leave of Absence and/or Military Services Leave of Absence, the Insured's coverage as well as any dependent coverage, if applicable, will be reinstated.
