

Lake Ann Elementary 2025 Newsletter

It has been a pleasure to help organize the Family Night events this spring and summer! We have enough grant funds left to host one more Family Night on September 24th, 5:30-7:30 pm.

Miss Sarah is planning a delicious harvest menu including Turkey, mashed potatoes and gravy, stuffing, corn, pie and ice cream. If the weather cooperates, Mr. Green will host smore making at the fire pit!

We will also use our time together to practice our elementary foundations and have some fun while we do it!
